Data in these reports are from service data submitted into DARTS (Division's Automated Reporting & Tracking System) through September 30, 2017. Please note that DARTS only collects data for services reimbursed through SUPR contract and Medicaid fee-for-service (FFS). Data on services reimbursed by Medicaid Managed Care Organizations (MCOs) are not reported by providers into DARTS, and therefore, the admissions and other service information are not included in these provider performance reports, nor in the statewide report. It should be noted that beginning in State Fiscal Year 2016, an increasing number of Illinois Medicaid patients belonged to a Managed Care Organization (MCO) and did not have MCO-reimbursed substance use disorder treatment service data reported in DARTS.
