Section 6. Authorization to Release Information

1. Consent for **Referral to Early Intervention** and for Release of Health Information to Early Intervention Program

The purpose of this disclosure is to refer (print child's name) _____ to the Illinois Early Intervention program.

I, (print name of parent or guardian), _____

give my permission for my child's health care provider, (listed in Section 4 above) to share pertinent information about my child,

(print child's name) _____

regarding suspected developmental delay or related medical conditions with the Early Intervention program. I understand that I may withdraw this consent by written request to my child's health care provider, except to the extent it has already been acted upon.

2. Consent to **Release Early Intervention Reports and Results to Healthcare Provider and/or Other Referring Agency.** Your consent allows the Early Intervention program to share reports and results, as listed in the EI Fax Back Form, with your child's health care provider listed in Section 4, or the referral entity. The CFC will send the HFS 652 Illinois Early Intervention Program Referral Fax Back form with the appropriate information: https://www.illinois.gov/hfs/SiteCollectionDocuments/hfs652.pdf

3. Consent to **Release Early Intervention Eligibility Determination and Service Information to Illinois Department of Healthcare and Family Services.** For children enrolled in All Kids, your consent allows the release of information from Department of Human Services (DHS) to the Department of Healthcare and Family Services (HFS) about your child, including name, AllKids recipient identification number, date of birth, and information about your child's referral to and eligibility for Early Intervention, including services received and other referrals made by Early Intervention. Your consent allows HFS to share information with your child's health care provider (listed in Section 4 above, if any) and treating doctors within the group, and managed care organization (MCO), if applicable, for care coordination. Care coordination allows your child's health care provider to be notified with results of your child's Early Intervention evaluation and/or assessment, eligibility for services and services received. Your consent allows HFS to use the information for analysis purposes and to measure the quality of the care coordination process between the health care provider and Early Intervention. Information and reports resulting from data analysis will not be released with any individually identifying information about your child.

I understand that I may withdraw this consent by written request to Early Intervention, except to the extent it already has been acted upon. I certify that this Authorization to Release Information has been given freely and voluntarily. Information collected hereunder may not be re-disclosed unless the person who consented to this disclosure specifically consents to such re-disclosure and or the re-disclosure is allowed by law. I understand I have a right to inspect and copy the information to be disclosed.
