Illinois Early Intervention Program
Referral Fax Back Form

PART 1 of 2
Complete Part 1 upon contacting the family, or when a family cannot be contacted in a timely manner. If the parent/guardian consented to the release of information in Section 6 of the Standardized Illinois Early Intervention Referral Form to the health care provider listed in Section 4 and/or the referral source listed in Section 3, send Part 1 of the Referral Fax Back Form to the health care provider and/or the referral source for which consent was provided. If the parent/guardian did not consent to the release of information to either the health care provider or the referral source, then information cannot be sent to the entity for which consent was not given.

Date: __________________________

Child’s Name: ___________________________ Date of Birth: ___________________________

Parent/Guardian Name: __________________________

Date Referral Received: __________________________

This child was referred to our Child and Family Connections office. The following is the status of that referral:

☐ The family was contacted on (date): ____________________________

☐ A Service Coordinator has been assigned to the family:

Name: ____________________________

CFC# / Location: _____ / ____________________________

Phone Number: ____________________________ Fax Number: ____________________________

E-Mail: ____________________________

☐ Repeated attempts have been made to contact this family - we were unable to establish contact.

Date final contact attempt made: ____________________________

Please let us know if the family is still interested in having an evaluation for their child.

☐ The family has been contacted and requests that you contact them directly for results.

Date request made by family: ____________________________

☐ The family has declined services at this time.

Date service declined: ____________________________

Additional comments: ____________________________
PART 2 of 2
To be completed after eligibility is determined and the Individual Family Service Plan (IFSP) is completed to inform the health care provider and/or referral source about Early Intervention eligibility, other referrals provided and other Early Intervention service(s) recommended, if eligible.

Note: if the parent/guardian consented to the release of information in Section 6 of the Standardized Illinois Early Intervention Referral Form to the health care provider listed in Section 4 and/or the referral source listed in Section 3, send Part 2 of the Referral Fax Back form to the health care provider and/or the referral source for which consent was provided. If the parent/guardian did not consent to the release of information to either the health care provider or the referral source, then information cannot be sent to the entity for which consent was not given.

Date: _______________________

Child’s Name: ___________________________ Date of Birth: _______________________

Parent/Guardian Name: ________________________________

1. □ The family has been contacted and the following has occurred:
   - □ The child has been evaluated and found to be not eligible for services at this time (Skip to #4)
   - □ The child has been evaluated and found to be eligible for services based on the following:
     - □ 30% or greater developmental delay
     - □ Qualifying Diagnosis of: ___________________________________________________________
     - □ Other: ________________________________________________________________________

2. □ The child and family have been recommended to receive the following Early Intervention services:
   - □ Developmental Therapy
   - □ Occupational Therapy
   - □ Physical Therapy
   - □ Speech Therapy
   - □ Social Work/Counseling
   - □ Other: ________________________________________________________________________
   - □ Notes: ________________________________________________________________________

3. □ An IFSP was/will be developed for the child and family. The IFSP Summary Report will be released to the health care provider identified in Section 6, Authorization to Release Information, in the Standardized Illinois Early Intervention Referral Form (a full copy of the plan may be obtained through the contact listed in Part 1).

4. □ The child and family received referrals to the following non-EI services:
   __________________________________________________________________________________

5. □ The evaluation/assessment and service planning process have not been completed because:
   __________________________________________________________________________________
