DHS FOID Mental Health Reporting System Inpatient & Outpatient User Manual

Table of Contents

INTRODUCTION

FOID data is reported to the Department of Human Services via the DHS FOID Mental Health Reporting System either thru direct input of each admission/event (refer to Section 5.2, Report Person 'Inpatient' or Section 5.3, Report Person 'Outpatient') or by the submission of a batch file containing multiple admission/events. Requirements for batch submission files can be found in Section 7, Batch Submission Requirements (Inpatient) or Section 8, Batch Submission Requirements (Outpatient).

The DHS FOID Mental Health Reporting System application may be accessed by entering the URL https://foid2.dhs.illinois.gov/foidpublic/foid.

The Welcome screen contains several tabs across the top of the screen for information regarding "Who Reports?", "What to Report?", any "News and Events" that may be applicable, "Help and FAQ's" and an "About Us" tab. These will be explained in more detail later in the manual.

Clicking on "Login to DHS FOID Mental Health Reporting System" link on the home screen, login page is displayed.

The far right of the screen contains a link to "Contact Us: DHS.FOID@illinois.gov ". Clicking on this link will access the DHS.FOID@illinois.gov E-Mail.

The left side of the screen contains links to access the DHS FOID Mental Health Reporting System, Qualified Examiner Registration, Facility Registration, Password Reset information and a link to the Illinois State Police FOID Website for anyone wanting to apply for a FOID Card or to obtain more information about FOID.

NOTE: All Users must be registered and have a valid User ID (E-Mail address) to access the system. Passwords must be changed once every 30 days. If the Password does expire select PASSWORD RESET from the selection on the left side of the screen. This will be described in more detail in the following pages.

This screen displays the drop-down tabs for "Who Reports?" to the DHS FOID Mental Health Reporting System. There are three types of providers who will use this reporting system; Qualified Examiners (Physicians, Clinical Psychologists and Qualified Examiners), Facilities with Inpatient Mental Health Treatment Programs and Facilities Without Inpatient Mental Health Treatment Programs. Select one of the links to display a PDF document of specific information regarding who is required to report information to the DHS FOID Mental Health Reporting System.

This manual is written specifically for the use of Facilities With Inpatient Mental Health Treatment Programs (Inpatient) and Facilities Without Inpatient Mental Health Treatment Programs (Outpatient).

I

The above screen displays the drop down tabs for "What to Report?" to the DHS FOID Mental Health Reporting System. Each drop down tab is a link to a PDF document explaining what is required by law to be reported to the DHS FOID Mental Health Reporting System by each specific type of provider.

The screen below displays the drop down tabs for "News and Events". Information may be accessed regarding any Conference Dates that are scheduled and any Articles that may be of interest regarding the DHS FOID Mental Health Reporting System.

This screen displays the drop-down tabs for "Help and FAQ's" to the DHS FOID Mental Health Reporting System. Each drop down is a link to a PDF document.

The FAQ's PDF contains a list of the most frequently asked questions regarding changes to the DHS FOID Mental Health Reporting System.

The Special Cases PDF describes specific cases that may or may not be required by law to be reported.

The Legislation PDF will contain links to the "Firearm's Concealed Carry Act", the "FOID Act" and the "Mental Health Act" and any subsequent legislation that may occur.

User Manual contains links to access PDF's of "Facilities Help" and "Qualified Examiners Help" manuals for the DHS FOID Mental Health Reporting System.

Record Layout is a PDF containing batch record layout information for facilities wishing to report to the DHS FOID Mental Health System through a batch file interface. (Qualified Examiners will not report batch files at this time.)

Brochure is a PDF of a brochure distributed by the Department of Human Services with information regarding the

Illinois Firearms Owner's Identification (FOID) Mental Health Reporting System.

If there are any videos that the Department of Human Services would like for users of the DHS FOID Mental Health Reporting System to view they will be found under the link Videos.

The About Us tab is a PDF that describes what the Illinois Firearm Owner's Identification Mental Health Reporting System is and the specific laws that brought about the use of this system.

SECTION 1 – FACILITY REGISTRATION

Facility Registration

Facilities With Inpatient Mental Health Treatment Programs (Inpatient)
Facilities Without Inpatient Mental Health Treatment Programs (Outpatient)

A facility may register with the Department of Human Services DHS FOID Mental Health Reporting System by clicking on FACILITY REGISTRATION and entering the information using the Facility Registration screen displayed on the next page.

This screen is displayed after selecting FACILITY REGISTRATION from the Welcome screen. The Facility Registration screen is used for Facilities With Inpatient Mental Health Treatment Programs (Inpatient) and Facilities Without

Inpatient Mental Health Treatment Programs (Outpatient) who want to register with the Department of Human Services for reporting of admissions/events to the DHS FOID Mental Health Reporting System.

Fields marked with an asterisk () are required fields but it is recommended to fill in all information that is available. Select the proper Facility Type from the drop down list. This will inform the Department of Human Services what specific type of facility is being registered.

There is a section on this screen for Administrator Information and Primary Contact Information. If the Administrator will also be the Primary Contact click on the check box to the left of "Check here to retain Administrator Information for Primary Contact". The system will auto fill the Administrators information into the Primary Contact information. If Administrator and Primary Contact are not the same individual both sections will need to be filled in.

NOTE: Your E-Mail address will be your User ID.

When all pertinent information has been entered and is ready to be submitted, enter the security code shown on the screen and select Save. A confirmation message is displayed stating "Your registration

information was received. You will receive your password within two business days". The registration information is then sent directly to the Department of Human Services. Nothing else on the part of the User has to be done to submit the data.

There will be two separate E-Mails sent. One will contain your valid User ID and the second will contain a temporary password to login to the DHS FOID Mental Health Reporting System. The actual System Login screen is described in Section 3 – System Login and Change Password.

Upon the first login using your User ID and temporary password a screen will then be displayed to change the temporary password to a more memorable password.

SECTION 2 – PASSWORD RESET

Request to Reset Password

This screen is displayed after selecting PASSWORD RESET from the Welcome screen. Fields marked with an asterisk () are required fields but it is recommended to fill in all information that is available.

When all pertinent information has been entered and is ready to be submitted, enter the security code shown on the screen and select Send Request. The message below will then be displayed.

There will be two separate E-Mails sent. One will contain your valid User ID and the second will contain a temporary password to login to the DHS FOID Mental Health Reporting System. The actual System Login screen is described in Section 3 – System Login and Change Password.

Illinois Statutes and DHS policy prohibit unauthorized access or disclosure of DHS client, employee or any other confidential information. Any unauthorized use of DHS computers or disclosure of confidential client or employee information may be cause for disciplinary action, including termination of employment and/or criminal prosecution.

Do not attempt to login unless you are an authorized user.

By logging into any Illinois Department of Human Services System, using your assigned user ID, you acknowledge that you are an authorized user and agree to abide by all rules and regulations of the Illinois Department of Human Services System. It is your responsibility to ensure that your user ID and password are kept private. Do NOT share your login information with anyone. No representative of DHS will ever ask for your password.

This page will be displayed when "Login to DHS FOID Mental Health Reporting System" was selected from the Welcome screen.

1. A Registered user should type in his/her DHS FOID Mental Health Reporting System User ID. NOTE: Your E-Mail address will be your User ID.

2. After entry of a valid User ID, the DHS FOID Mental Health Reporting System prompts the user for a "Password". (The first time a User logs into the DHS FOID Mental Health Reporting system after registering, the User will enter the temporary password received via E-Mail from the system.) The user should type in his/her unique password. When the password is entered, it will not be visible. (Instructions for passwords is given on the following page.)

- The user must not login to the DHS FOID Mental Health Reporting System again, unless the user has followed the logout procedures. The user should only have one active session of DHS FOID Mental Health Reporting System running at a time. The user will be logged out of the system after 30 minutes of inactivity.

3. The user must select Login. If this is the first login or the User password has expired, the password change screen on the following page will be displayed. The DHS FOID Mental Health Reporting System Home Page will be displayed

System Change Password

The System Change Password screen is displayed each time the Users password needs to be changed.

This screen will also be displayed the first time a User logs into the Department of Human Services FOID Mental Health Reporting System using the temporary password that was sent in an E-Mail when the User first registered with the system. The Input old password field on the screen is where the temporary password should be entered.

Enter the old password (or temporary if first time) into Input old password. Enter a new unique password in Input new password following the requirements on the screen. Re-enter the new password to Confirm new password.

- The password must be at least eight (8) characters long.
- The password must contain at least four (4) alpha characters.
- The password must contain at least one (1) numeric character.
- The password cannot contain more than two (2) repeated characters. The password is case sensitive.

Click on Change Password to reset your password for the DHS FOID Mental Health Reporting System. If you have forgotten your password select PASSWORD RESET from the Welcome screen.

Home Page

The Home Page is displayed after entering a User ID and Password and logging into the DHS FOID Mental Health Reporting System.
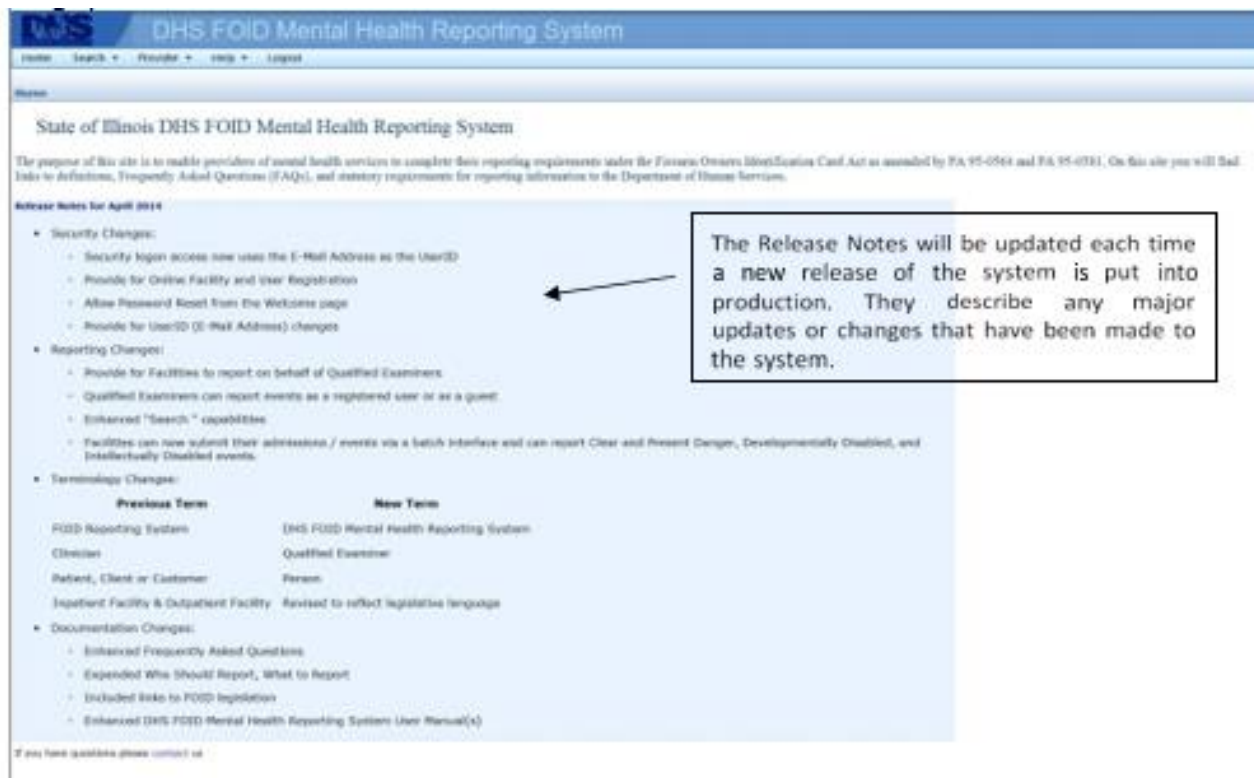

This manual was written to encompass information for two types of Providers, Facilities With Inpatient Mental Health Treatment Programs (Inpatient) and Facilities Without Inpatient Mental Health Treatment Programs (Outpatient). There are two types of Users of the system, Primary Contact for a provider as well as an Authorized User (user authorized by a provider to enter and submit admission/event information) for the provider. Unless otherwise specified the information in this manual will pertain to both types of Providers/Users.

The Menu Bar contains tabs for Home, Search, Provider, Help and Logout. The Home tab will return the User to this page from any point in the system.

The Search tab is a drop down containing a Reported Person Search, List of Person Report Submissions, Reported Person With No Discharges Search (only for the Primary Contact of Facilities With Inpatient Mental Health Treatment Programs 'Inpatient') and Deleted Person Reports Search options.

The Provider tab will access a drop down list with Report Person, Submit Batch Report File, Nothing to Report, List of Users, Register User, Update User Info, Update Provider Info, and Request to Change User ID. The options marked with '' are only available for the Primary Contact of a provider.

The Help tab is a drop down containing a link back to the Welcome Page, Facilities Help and Qualified Examiners Help which are links to User Manuals and a Contact Us button. The Contact Us button will display a screen to submit an E-Mail to DHS.FOID@illinois.gov if any other help is required. Logout will log the User out of the system.

SECTION 4 – SEARCH

Reported Person Search

The Reported Person Search screen is displayed after selecting Search from the menu bar and then selecting Reported Person Search from the drop down list. A search is to be implemented to view information for a specific admission/event that was previously entered. A search may be conducted by entering any field or combination of fields to limit the search results. The Birth Date may be entered or selected by clicking on the calendar and selecting the appropriate date. When a search is to be implemented on Last Name or First Name a "Search Type" may be selected for Begins With, Sounds Like or Exact Match.

After search criteria has been entered click on Search to locate an admission/event or Clear to remove the search criteria and conduct another search.

When it has been determined that an admission/event does not exist in the system for the specified search criteria the Reported Person Search page will be displayed with the message "No matches were found for your search".

A new search may be conducted by entering different criteria and clicking on Search to search for another admission/event.

When a search criterion was entered and a match found the above page will be displayed with a list of the admission/event(s) matching the criteria. The Person Search Results show Name, Birth Date, Gender, Race, Facility Name and Admission Date. The Person Name is a hyperlink which can be clicked on to view the specific person's admission/event information on the Report Person screen.

After search criteria has been entered click on Search to locate an event or Clear to remove the search criteria.

The Report Person Results screen is displayed after a Reported Person Search has been conducted and an individual admission/event was selected from the Person Search Results list. If information is to be updated make the necessary change(s) and click on Update to save the changes to this record or Cancel to return to the Reported Person Search screen.

If the admission/event is to be deleted a "Reason for deleting this record" comment must be entered. After the comment has been entered, click on Delete to remove the admission/event and return to the Reported Person Search screen.

NOTE: Fields displayed on the screen will vary depending on the type of provider that reported the admission/event.

List of Person Report Submissions

The List of Person Report Submissions screen is displayed after selecting Search from the menu bar and then selecting List of Person Report Submissions from the drop down list.

After the Start Date and End Date for the selected date range has been entered click on Search.

A Submitted Events Results screen will be displayed listing the actual submittal date and the number of records that were submitted for that date. (See below screen.)

Reported Person With No Discharges Search

The "Person Name" is a link to access the specific admission.

The Reported Person With No Discharges Search option is <u>only</u> available for Primary Contact users of Facilities With Inpatient Mental Health Treatment Programs (Inpatient).

This screen is displayed after a Reported Person With No Discharges Search option has been selected from the drop down under the Search tab. Click on the link of Person Name to access the <u>Report Person</u> screen. This is the same screen that is displayed in Section 4.2 - Report Person Results. The fields on the screen will vary depending on the options selected when the admission/event was entered into the system.

The Discharge Date may be entered or selected by clicking on the calendar and selecting the appropriate date. Click on Update to add the Discharge Date to the record. The system will return to the Reported Person With No Discharges Search screen.

If the admission/event is to be deleted a "Reason for deleting this record" comment must be entered. After the comment has been entered, click on Delete to remove the event and return to the Reported Person With No Discharges Search screen.

When the last record on the screen has had a discharge date added or has been deleted the system displays "No matches were found for your search" on the screen to indicate that there are no more admissions that do not have a discharge date.

Deleted Reported Person Search

The Deleted Reported Person Search screen is displayed after selecting Search from the menu bar and then selecting Deleted Reported Person Search from the drop down list.

After the Start Date and End Date for the selected date range has been entered click on Search.

A Search Deleted Events Results screen will be displayed listing the deleted date and comment.

The Person "Name" is a link to access the specific event.

SECTION 5 – PROVIDER

Provider tab

This screen displays the drop down tabs for Provider to the DHS FOID Mental Health Reporting System. The Report Person option will be used to report an admission/event for a Person.

The Submit Batch Report File option will be used by Providers who choose to submit admission/event information in batch files which have been created <u>outside</u> of the FOID System. (This will include both admissions/events and discharges.) The file requirements are described in detail along with the actual record layouts in Section 7 – Batch Submission Requirements (Inpatient) and Section 8 – Batch Submission Requirements (Outpatient). NOTE: There are two <u>different</u> sets of Batch Submission Requirements depending on the type of Provider reporting; Facilities With Inpatient Mental Health Treatment Programs (Inpatient) or Facilities Without Inpatient Mental Health Treatment Programs (Outpatient).

The Nothing to Report option is used to inform the Department of Human Services that Facilities With Inpatient Mental Health Treatment Programs (Inpatient) had no new admissions in the previous week. This satisfies the requirement requiring Facilities With Inpatient Mental Health Treatment Programs (Inpatient) to submit information about new admissions every seven days.

The List of Users option is only displayed for the Primary Contact. This option will display a list of active users for the Provider.

The Register User option is only displayed for the Primary Contact. The Primary Contact may submit to the Department of Human Services a request to register a new user of the DHS FOID Mental Health Reporting System.

The Update User Info option is used to update/change information for the User logged into the System. The Name and Phone Number may be updated. The screen will also contain an option to request a password change.

The Update Provider Info option is only displayed for the Primary Contact. This option is used to update/change the Provider's information.

The Request to Change User ID option will allow the User to submit to the Department of Human Services a request to have their User ID changed. NOTE: The User ID is to be your E-Mail address.

The above mentioned screens will be displayed and described in more detail on the following pages.

Submit Batch Report File

The Submit Batch Report File screen is displayed after selecting Provider from the menu bar and then selecting Submit Batch Report File from the drop down list. This page is used for the submission of a batch file containing multiple admission/events (if applicable). Enter a File Path & Name or select Browse to search for the file to be submitted. Select Submit to transmit the information to the Department of Human Services FOID Mental Health Reporting System.

Batch Submission requirements for Facilities With Inpatient Mental Health Treatment Programs (Inpatient) can be found in Section 7, Batch Submission Requirements (Inpatient) and Facilities Without Inpatient Mental Health Treatment Programs (Outpatient) are located in Section 8, Batch Submission Requirements (Outpatient) of this manual.

Nothing to Report

The Nothing to Report screen is displayed after selecting Provider from the menu bar and then selecting Nothing to Report from the drop down list. This screen is used to inform the Department of Human Services that Facilities With Inpatient Mental Health Treatment Programs (Inpatient) had no new admissions in the previous week. This satisfies

the requirement requiring Facilities With Inpatient Mental Health Treatment Programs (Inpatient) to submit information about new admissions every seven days.
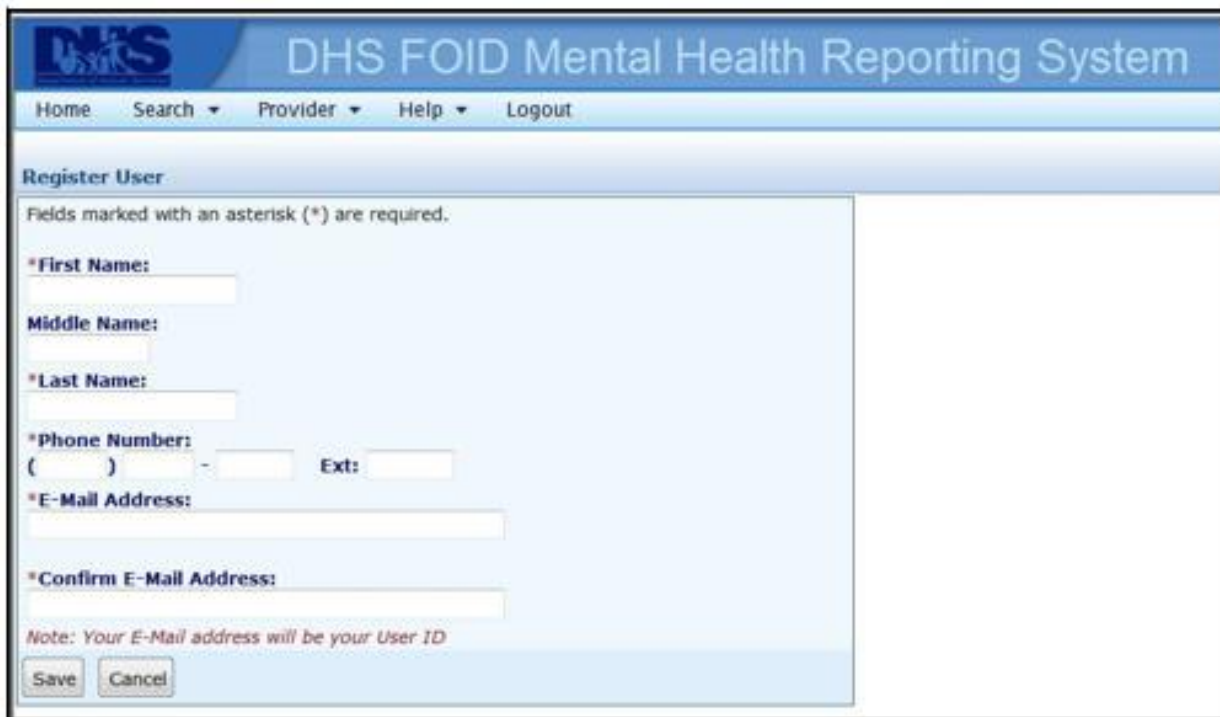

Select Submit to transmit the information to the Department of Human Services FOID Mental Health Reporting System.

List of Users

The List of Users screen is displayed depending on the role of the User after selecting Provider from the menu bar and then selecting List of Users from the drop down list. This screen displays a listing of all users who are authorized to access the DHS FOID Mental Health Reporting System for this particular provider.

Each user name is a link that when clicked on will display the Update User Info screen. This is described in Section 5.8, Update User Info.

Register User

The Register User screen is displayed depending on the role of the User after selecting Provider from the menu bar and then selecting Register User from the drop down list.

This screen allows the Primary Contact of a facility to submit to the Department of Human Services FOID Mental Health Reporting System a registration for another individual at their facility who will do admission/event reporting. Fields marked with an asterisk () are required fields but it is recommended to fill in all the information that is available.

NOTE: The E-Mail address will be the User ID for accessing the DHS FOID Mental Health Reporting System.

Update User Info

The <u>Update User Info</u> screen is displayed after selecting Provider from the menu bar and then selecting Update User Info from the drop down list.

The User may make changes to their name or phone number on this screen. Select Save to update the User Information within the system or Cancel.

If a person wants to change their E-Mail address this will also change their User ID and Password. This is described later in Section 5.10, Request to Change User ID.

Update Provider Info

The <u>Update Provider Info</u> screen is displayed depending on the role of the User after selecting Provider from the menu bar and then selecting Update Provider Info from the drop down list.

All information <u>except</u> the Facility Type may be updated. As noted on the screen if the Facility Type needs to be changed the Provider will have to register with the DHS FOID Mental Health Reporting System as a New Facility. (Facility Registration can be found on the <u>Welcome</u> screen.)

There is a link on the bottom of the screen to access the List of Users which is described in Section 5.6, List of Users.

Request to Change User ID (E-Mail address)

The <u>Request to Change User ID</u> screen is displayed after selecting Provider from the menu bar and then selecting Request to Change User ID from the drop down list.

Enter the New User ID. Re-enter the New User ID in the Verify New User ID field. NOTE: The User ID must be a valid E-Mail format. Click on Send Request to submit the New User ID request to the Department of Human Services. Three

E-Mails will be returned to the User after processing; the first will indicate that your "old" User ID has been deactivated, the second will return a new temporary password and the third will validate that the new User ID has been activated in the DHS FOID Mental Health Reporting System.

SECTION 6 – HELP

This screen displays the drop down tabs for "Help" to the DHS FOID Mental Health Reporting System.

The Find More Information on the Welcome Page option returns the User to the <u>Welcome</u> screen.

The Facilities Help option accesses a PDF for the Facilities User Manual.

The Qualified Examiners Help accesses a PDF for the Qualified Examiners User Manual.

The Contact Us selection will bring up an E-Mail to send questions to <u>DHS.FOID@illinois.gov</u> .

Logout will log the User out of the DHS FOID Mental Health Reporting System.

SECTION 7 – BATCH SUBMISSION REQUIREMENTS (Inpatient)

Facilities with Inpatient MH Treatment Program

Batch Sub. Requirements – Fac. W/INP MH Treatment Programs (Inpatient)

NOTE: For the purposes of this document, "Inpatient Facility" includes Facilities with Inpatient Mental Health Treatment Programs.

The batch submittal files are to be created as ASCII DOS Text Files with each field separated by ~ (tilde) and each record delimited by CR/LF(0D0A in hex format), i.e.; tilde(~) delimited fields followed by a carriage return character and a line feed character. The file name can be anything but should be of format .txt or .dat (eg. Foid_batch.txt or foid_batch.dat)

There are three types of records to be submitted:

1. The Facility (H) record identifies the reporting facility, the contact person, and the number of activity records.
2. The Facility (P) activity record describes the detail data for this reporting cycle.
3. The Trailer (T) record provides file audit counts and as the last record, is followed by the end-of file character (1A in hex format).

The general format of the files submitted to DHS should be:

A Facility (H) record is to be followed by the corresponding "Activity" records (one per person). A Trailer (T) record provides file audit counts and is included at the end of each file. All fields are required, unless otherwise noted. The tilde (~) will still be present.

NOTE: There are null fields identified in the record layouts to keep field positioning the same for inpatient and other provider "activity" records.

Inpatient Facility

The following types of facilities are considered "Facilities with Inpatient Mental Health Treatment Programs" (Inpatient) in the DHS FOID Mental Health Reporting System:
