

AGREEMENT FOR USE OF COMPUTER

I agree to use my computer pursuant to the terms of this agreement and the Administrative Rule.

I acknowledge that I have read and agree to the terms of use.

My computer is a: _____ and comes with the following additional items:

Operating System

Word Processing

Utility Programs

Accessories

Games

Other Approved Software

I understand that my use of the computer is limited to my use and cannot be shared with other individuals.

I also agree not to use my computer to make money or gain favors from other individuals with whom I live.

If I get an approved program on a CD, I will only install the program under staff supervision.

I understand that the use of the computer will be determined by the availability of space, the number of electrical outlets and the number of electrical devices.

No extension cords or devices that multiply the number of outlets, such as outlet strips, are permitted.

I also understand that my use of the computer may be restricted to non-treatment/habilitation or recreation time periods.

I understand that I am in a State-Operated Mental Health Center Developmental Center and that the individuals with whom I live may at times exhibit destructive behavior. I understand the risk of harm that may be present to my computer and agree to take that risk.

This section is applicable to individuals who have been admitted to a forensic program. I agree that if I am in a forensic program I will not possess modems during the course of my hospitalization in the forensic program. I also understand that if my computer has a modem, the modem will be either removed or disabled. I understand that when the modem is disabled, it may be permanently disabled. I understand that any access to the Internet is approved only through the library or the education program.
