Mental Health
in collaboration
with the
National Alliance
on Mental Illness
(NAMI) Illinois
and Gift
of Voice.*

April 2018

Dear Friends,

Whether you are feeling well or you are struggling through a crisis, it is important that you know the reality of recovery. Yes, mental health recovery is a reality. Individuals throughout Illinois and all over the world have and continue to recover their mental health and restore their lives to wellness.

The resources in this booklet include supportive organizations and individuals who believe in recovery. We encourage you to take some time and read through the descriptions of available programs and services. There are several choices for you to consider, some which you may or may not find appealing. That's okay. You can try out various supports as you explore what is a good fit for you. You may also find supports which are more or less helpful at different times in your life because as you grow, your needs may change. Keep in mind you can always revisit this guide to connect with additional resources at a later date.

It's important that you know you are not alone and recovery is a reality that everyone deserves.

Best Wishes,

Nanette Larson, IDHS/DMH Deputy Director/
Ambassador of Wellness and Recovery Services

AJ French, Executive Director of Gift of Voice

NAMI Illinois

- **Active Minds:**

www.activeminds.org

Mission Statement: Active Minds empowers students to speak openly about mental health in order to educate others and encourage help-seeking. We are changing the culture on campuses and in the community by providing information, leadership opportunities and advocacy training to the next generation.

Summary: Active Minds supports a network of campus-based chapters across the United States and Canada that are made up of students passionate about mental health advocacy and education. Chapters provide their campuses with a wide range of programming that educates their peers about mental health, connects students to resources, and aims to change negative perceptions about mental health disorders. All Active Minds chapters are registered student organizations and open to every interested student on campus.

There are Active Minds chapters at major universities! To find the campus chapter in your area, go to: <http://www.activeminds.org/our-programming/chapters/find-a-chapter>

- **Awakenings Project:**

www.awakeningsproject.org

Mission Statement: To assist artists with psychiatric illnesses in developing their craft and finding an outlet for their creative abilities through art in all forms.

Summary: The Awakenings Project works to raise public awareness and acceptance of the creative talents of people living with psychiatric disorders who work in the fields of fine art, music, literature, and drama. Their talent is often showcased at special events. "The Awakenings Review" publication has received international acclaim and individuals with a passion for writing can contact Awakenings to request submission guidelines for The Awakenings Review.

- **Gift of Voice:**

www.giftofvoice.com

Mission Statement: Our mission is to train, empower and advocate for mental health of individuals, communities and churches.

Summary: Gift of Voice's leadership consists of individuals with personal and professional experience in mental health and related fields. We embrace Christian Values and strive to interact with one another in a manner which reflects the attributes of a Holy God. We pursue optimal health, recognizing that personal wellness and group wellness are profoundly intertwined. We elevate our collective voice by disclosing personal mental health experiences and dignifying disclosure from others. We affirm that decisions made about persons living with mental health conditions should be made with us leading the discussion and decision-making process. We expect positive outcomes and work diligently toward them.

Statewide Office:

903 North Second Street, Suite B
Edwardsville, IL 62025
Email: office@giftofvoice.com

Office Hours are scheduled by appointment.

- **GROW:**

www.growinamerica.org

Mission Statement: GROW's mission is to promote mental health recovery, personal growth and prevention within our weekly mutual help support groups and throughout our supportive community. As members we strive first to take personal responsibility for changing ourselves, and ultimately as leaders we become "gentle builders of a free and whole community" by contributing to the recovery of others.

Summary: GROW in Illinois is a not-for-profit mental health organization run by its members and substantially funded by the Division of Mental Health. The organization was brought to Illinois in 1978 by Australian GROW leaders, at the invitation of Professor O. Hobart Mowrer from the University of Illinois. Mowrer, a community psychologist, was researching the concept of self help, and believed member-run services add an essential element to mental health care.

To visit an Illinois GROW group -- you don't need an invitation or introduction. To find a group near you, call toll-free 1-888-741-GROW.

- **Guardianship and Advocacy:**

www.gac.state.il.us

Summary: Created in 1979, the Illinois Guardianship and Advocacy Commission protect the rights and promote the welfare of persons with disabilities. A board of eleven Commissioners, who serve without compensation, govern the agency. The Commission is an executive state agency created to safeguard the rights of persons with disabilities. By providing legal representation, investigating complaints of rights violations and providing state guardianship for Illinois' population with disabilities, the Commission has given voice to those who have previously gone unheard.

The Lifeline's national network of local crisis centers provides crisis counseling and mental health referrals day and night. For Hearing & Speech Impaired with TTY Equipment: 800-799-4TTY (4889)

- WRAP & Mary Ellen Copeland Center:
www.mentalhealthrecovery.com

Wellness & Recovery through WRAP®

We transform lives by promoting wellness, recovery, and peer support through training, technical assistance, and advocacy. We are the international leaders of the Wellness Recovery Action Plan® and other works developed by Dr. Mary Ellen Copeland.

What is a Wellness Recovery Action Plan® (WRAP®) and how do I use it?

The Wellness Recovery Action Plan®, or WRAP®, is an **evidence-based system** that is used world-wide by people who are dealing with mental health and other kinds of health challenges, and by people who want to attain the highest possible level of wellness. It was developed by a group of people who have a lived experience of mental health difficulties; people who were searching for ways to resolve issues that had been troubling them for a long time. WRAP® involves listing your personal resources, your Wellness Tools, and then using those resources to develop Action Plans to use in specific situations which are determined by you. WRAP® is adaptable to any situation. WRAP® also includes a Crisis Plan.

WRAP® is universal — it is for anyone, any time, and for any of life's challenges.
