Please plan to join on May 22, 2014 for our next Recovery & Empowerment Statewide Call! Our theme this year is "Recovery in Motion." These educational forums place an emphasis on sharing successful tools and strategies for wellness. Additionally, each month we will emphasize different system partners with whom we can join together to strengthen our recovery process. This month's focus is “Sowing the Seeds of Self-Compassion!”

Individuals are welcome to dial in from a personal phone or from home. However, if dialing in from an agency or other organization, to help reduce the cost, please gather and dial-in together. Remember to provide the moderator with your name, the agency you are representing (if applicable), and the number of persons listening in from your location.
