| <ul style="list-style-type: none">• Please remember that this is a well-attended meeting with many, many people participating all over the State. To make sure that everyone has the best chance of hearing the conversation, PLEASE MUTE YOUR PHONE. Do Not place the call on hold. Hold music and other hold tones are very disruptive to the entire group.• Please remember to identify yourself. This makes it easier for the note taker and for those who don't recognize your voice. |
