

Illinois Mental Health Planning & Advisory Council (IMHPAC)
Justice Committee Report for December 6, 2019 – February 29, 2020
Respectfully submitted by AJ French on March 2, 2020

The Justice Committee did not meet on Thursday, February 6, 2020.

Agenda and supporting documents were sent to DMH the evening of February 3, 2020. It was not sufficient time to pass along to DHS for online posting. An attempt was made to reschedule the meeting, but committee members were unable to identify an alternative date.

During the January 9, 2020 IMHPAC meeting, there was brief discussion about Sequential Intercept Mapping (SIM), with regard to an application for technical assistance. The image below is the SIM.
