

CCBHC Project Weekly Status Report

8-26-16

Action Item Review

List the most important action items per group

Certification

- Awaiting feedback on the Certification Checklist
- Anticipate sending Certification Checklist to providers TBD

PPS (Prospective Payment System)

- No updates for this week

Data and Reporting

- SAMHSA help its Seventh of 8 webinars focused on data and reporting and the specifications
- SAMHSA will hold its quarterly GPO meeting next week, and therefore, the final webinar of the series will be held on 9-6-16

Services Coordination Group

- Updated Provider Selection Criteria and Supplemental document based on feedback
- Will review edits during the next meeting on 9-29-16

Steering Committee

- Reviewed outstanding tasks that need to be accomplished and worked towards developing an agenda
- Next Steering Committee is tentatively 9-20-16

Potential Barriers

List any current risks identified by each group and the potential impact

Certification

- Release of checklist in a timely fashion

PPS

- Smooth transition and updating new chair as Gabriela Moroney has left

Data and Reporting

- Providers and states having the system capabilities to capture needed data and be able to report them currently
- Reviewing all quality measure documentation sent out by SAMHSA regarding specifications and providing the needed guidance and TA timely.

Training Opportunities Identified

Certification

- None noted

PPS

- None noted

Data and Reporting

- None noted
