

Children's Mental Health On The Table

The Illinois Children's Mental Health Partnership will be hosting an “On the Table” discussion this year in recognition of Children’s Mental Health Awareness Day

Tuesday, May 8th 9-11 A.M.

680 N. Lakeshore Drive

15th Floor, Room 15-072

Space is limited, please RSVP to Alli Schuck

aschuck@luriechildrens.org or 312-227-5457

Our goal is to have a collective conversation around the barriers that currently exist when trying to support children and youth with high-level mental health needs. The needs of these youth and families can be quite complex, and varying perspectives will be an integral part of determining the best solutions as we continue to strive towards excellence in supporting all children and youth in our state.

“On The Table” is an annual event organized by Chicago Community Trust
