

# Walk the Block

for

# National Children's Mental Health Awareness Day!

Come and show your support of National Children's Mental Health Awareness Day by "Walking the Block." We need your help to show that our community supports mental health diagnosis and treatment of children.

Just like diabetes or asthma diagnosis and treatment, mental illness can also be effectively managed for our children.

# May 10, 2018

## @ 5:30PM

### LOCATIONS:

#### Saline County Residents

Meet at the Court House in Harrisburg
