

THE COLUMBIA IMPAIRMENT SCALE (C.I.S.) YOUTH VERSION

INSTRUCTIONS FOR YOUTH

To help us improve the quality of the service that you receive, we are asking you to complete the attached rating scale (C.I.S.). This will help us determine the area or areas in which you need to work on, and the progress that you make in these areas. It also will give us information that will assist us in making changes in your treatment plan to better meet your needs.

There are thirteen areas of behavior for you to rate from 0 (No problem) for you to 4 (Very bad problem) for you. Rate each item by circling the number that is best describes your behavior at the present time. Since your behavior will change over time, only take into consideration how you feel your recent behavior (within the past week or two) has been. **PLEASE RATE ALL THIRTEEN ITEMS.** Circle the number 5 if you don't know or the question does not apply to you. If you do not understand an item or items ask your therapist to clarify it for you. Your therapist will be glad to do so.

When you complete the form please return it as soon as possible to your therapist, either in person or by mail.
