**From:** Butler, Jennifer  
**Subject:** GATA Training Webinar - SAVE THE DATE

The purpose of this communication is to announce the upcoming dates and times for GATU training on the FY18 pre-award phase.

In response to your feedback, we are providing this training, Part 1 and Part 2, through two separate half day sessions. And, to accommodate schedules, the two sessions are being repeated three times. The content will be the same for all three time slots. The dates and times for the six webinars (three for Part 1 and three for Part 2) are provided on the flier.

As stated on the flier, the audience for this training is grantees, state agency fiscal personnel working with grants and state agency grant program personnel. The flier will be posted to [www.grants.illinois.gov](http://www.grants.illinois.gov).

CAOs of all grant making agencies should:

1. Make their grantees aware of these two training opportunities;
2. Ensure state agency personnel are aware of this training and encourage participation; and
3. Keep agency management informed to position them to support FY18 implementation efforts.

Thanks in advance for your coordination and assistance promoting this training.
