Danville Veteran Housing Now Leasing!

New-construction 65-unit, furnished low income property of 1-2-3 bedroom apartments for homeless veterans and their families.

Located on the VA Illiana Health Care Campus, which is shared with the Danville Area Community College. The property is in a park-like setting with outdoor recreational facilities across the street. The first floor of the building has a community center with a living room & fireplace, fitness room, computer lab and outdoor patio.

Requirements for Application

The Head of Household must be a Veteran who is homeless. And must be eligible for VA health care and willing to engage in VA case management.

Households pay no more than 30% of their combined income (determined through the qualification process).

For Screening and Referral

VA Illiana Health Care System
Building 103, Room 134b

Contact: Betsy, Social Worker
(217) 554-5201

(See Campus Map on other side)
