

Illinois Mental Health Planning and Advisory Council

Strategic Plan Committee Meeting

February 27th, 2019 3:30 pm

The meeting was called to order at 3:30 pm on Thursday, February 27th, 2019. Attendees included: Margo Roethlisberger, Ron Melka, Ray Conner, John Shustitzky, Nanette Larson, and LeeAnn Reinert.

The group reviewed the draft Strategic Plan that was developed as part of the Strategic Planning committee. There was one change recommended, which was to take the next meeting date out of page 2 so the statement now reads, "Information and recommendations are to be presented to the full Council at its next meeting, for consideration, possible revisions, and possible adoption".

The draft Strategic Plan will be presented to the full IMHPAC committee at the March 7th meeting with the intention to receive feedback and recommendations prior to the May 2nd meeting, at which time the Plan will be submitted for approval. The Strategic Plan does include recommendations which will be confirmed and people identified to participate in small sub-committees at the May 2nd meeting.

The meeting was adjourned at 4:00 pm with a motion from Ron Melka and a second from John Shustitzky.
