

## DIRECTOR THEODORA BINION RETIREMENT

*As you may know, today December 30, 2015 is my last day with the Illinois Department of Human Services, before I will begin retirement. It has been a pleasure and honor to serve the people of Illinois as the Director of the Division of Alcoholism and Substance Abuse (DASA). I will miss the work and will miss working with all of you but am looking forward to the next part of my journey.*

*I would like to take this opportunity to thank my colleagues and friends and let you all know how much I have enjoyed working with you. I wish you all success in the future and am grateful for the opportunity to work with you.*

*Peace, blessings and fondest regards,*
