

Subject: FY14 Year End Financial Reporting and Consolidated Financial Report (CFR) Webinar

Good Morning!

This is just a reminder that most of your FY14 Year End Financial Reporting documents due dates are 60 days later than in prior years for the State Fiscal Year 2014 reporting period. (Most documents are due 180 days after the entity's year end. For the bulk of our providers, this means most of your year-end reports are due on December 27, 2014).

ILDHS will be providing a webinar starting October 15, 2014 for those providers who want more guidance on their FY14 Financial Year End Reporting Requirements to DHS or would like to learn more about completing a Year End CFR.

Registration for the class is now open. Please visit us at

<http://www.dhs.state.il.us/page.aspx?item=72376> for more information and to register for the class.

Looking forward to wrapping up FY14 with you!
