

# 2019 Illinois IPS Conference

## IPS

*(Individual Placement and Support)*

An evidence-based practice developed to help promote the recovery of people who have serious mental illnesses through work.

This model is well defined by eight practice principles and a 25 item fidelity scale.

April 3rd & 4th

Meet your IPS partners from all over Illinois, and learn what is happening on the cutting edge of IPS services.

***Be A Part Of Something Bigger!***
