

**INFORMATION EXCHANGE AGREEMENT**  
**BETWEEN**  
**THE SOCIAL SECURITY ADMINISTRATION (SSA)**  
**AND**  
**THE ILLINOIS DEPARTMENT OF HUMAN SERVICES (DHS)**  
*For State-Funded Programs*  
**2020-198-DSA-FCS**

- A. PURPOSE:** The purpose of this Information Exchange Agreement (“IEA/S”) is to establish the terms, conditions, and safeguards under which SSA will disclose to the State Agency certain information, records, or data (herein “data”) to assist the State Agency in administering certain state-funded, state-administered benefit programs identified in this IEA/S. By entering into this IEA/S, the State Agency agrees to comply with the terms and conditions set forth in this IEA/S, including the privacy protection provisions set forth in **Attachment 1**, governing the State Agency’s use of the data disclosed from SSA’s Privacy Act System of Records.
- B. LEGAL AUTHORITY:** SSA’s authority to enter into this IEA/S is Section 1106(a) of the Social Security Act (“Act”) (42 U.S.C. § 1306) and the routine use exception under the Privacy Act of 1974 (5 U.S.C. § 552a(b)(3)). SSA is not authorized to disclose tax return data to the State Agency for state-funded, state-administered programs unless explicitly authorized by 26 U.S.C. § 6103 and such authorization is clearly identified in **Table 1** below.
- C. PROGRAMS AND DATA EXCHANGE SYSTEMS:** (1) The State Agency will use the data received or accessed from SSA under this IEA/S only for the purpose of administering the state-funded programs identified in **Table 1** below. In **Table 1**, the State Agency has identified: (a) each program the State Agency administers; and (b) each SSA data exchange system to which the State Agency needs access in order to administer the identified program. The list of SSA’s data exchange systems is attached as **Attachment 2**.

**TABLE 1**

STATE-FUNDED BENEFIT PROGRAMS	
Program	SSA Data Exchange System(s)
<i>(Enter name of program)</i>	<i>(Enter the acronym for one or more of SSA’s data exchange systems listed in Attachment 2)</i>
General Assistance/Transitional Assistance	SVES IV, BENDEX, SDX
Refugee & Patriot Assistance Program	SVES IV, BENDEX, SDX
Mental Health Services (application of Federal benefits for cost of care)	SVES IV, BENDEX, SDX

(2) The State Agency will use each identified data exchange system ***only*** for the purpose of administering the specific program for which access to the data exchange system is provided.

SSA data exchange systems are protected by the Privacy Act and Federal law prohibits the use of SSA’s data for any purpose other than the purpose of administering the specific program for which such data is disclosed.

**D. DATA EXCHANGE REQUEST FORM (DXRF), FORM SSA-157:** Prior to signing this IEA/S, the State Agency will complete and submit to SSA a Form SSA-157 DXRF for each of the programs listed in **Table 1**. SSA will not disclose any data under this IEA/S until it has received and approved the completed DXRF for each of the programs identified in **Table 1** above.

**E. FUNDING:** There is no charge to the State Agency for the data SSA provides under this IEA/S to assist the State Agency in administering the programs specifically identified in **Table 1** above. Pursuant to his authority under Section 1106 of the Act, the Commissioner of SSA has determined not to charge a fee for providing data to administer programs for which SSA has been providing data without charge under a previous agreement. To the extent the State Agency proposes to modify this IEA/S to receive SSA data for administering any additional state-funded programs for which there is no previous agreement, the State Agency will submit to SSA new DXRFs describing such programs in accordance with Section D. above. After SSA receives completed DXRFs for the proposed additional programs, SSA, in its sole discretion, will determine: (1) whether SSA is authorized to disclose the requested data for the purpose of administering the additional state-funded programs; and (2) the charge to the State Agency, if any, for providing the requested data. If SSA decides to charge the State Agency a fee for the cost of providing data for such new programs, the parties will execute a separate reimbursable agreement to document the necessary financial terms and conditions.

**F. TRANSFER OF DATA:** SSA will transmit the data to the State Agency under this IEA/S using the data transmission method identified in **Table 2** below:

**TABLE 2**

TRANSFER OF DATA	
<input type="checkbox"/>	Data will be transmitted directly between SSA and the State Agency.
<input checked="" type="checkbox"/>	Data will be transmitted directly between SSA and <b>ILLINOIS DEPARTMENT OF INNOVATION AND TECHNOLOGY (DoIT)</b> (State Transmission/Transfer Component (“STC”)) by <u>File Transfer Management System (FTMS)</u> , a secure mechanism approved by SSA. The STC will serve as the conduit between SSA and the State Agency pursuant to the State STC Agreement.

**G. PRIVACY PROTECTION AND SECURITY PROCEDURES:** The State Agency will comply with limitations on use, treatment, and safeguarding of data under the Privacy Act of 1974 (5 U.S.C. § 552a), related Office of Management and Budget guidelines, the Federal Information Security Management Act of 2002 (44 U.S.C. § 3551, et seq.), and related National Institute of Standards and Technology guidelines. In addition, the State Agency will comply with SSA’s “Privacy Protection Provisions,” attached as **Attachment 1**, and “Electronic Information Exchange Security Requirements and Procedures for State and Local

Agencies Exchanging Electronic Information with the Social Security Administration,” attached as **Attachment 3**.

SSA has the right to monitor the State Agency’s compliance with FISMA, the terms of this IEA/S and to make onsite inspections of the State Agency for purposes of auditing compliance, if necessary, during the lifetime of this IEA/S or of any extension of this IEA/S. This right includes onsite inspection of any entity that receives SSA information from the State Agency under the terms of this IEA/S, if SSA determines it is necessary.

**H. CONTROLLED UNCLASSIFIED INFORMATION (CUI) REQUIREMENTS:**

Pursuant to 32 C.F.R. § 2002.16(a)(6), the State Agency must handle any CUI in accordance with Executive Order 13556, 32 C.F.R. Part 2002, and the CUI Registry. The State Agency acknowledges that misuse of CUI is subject to penalties established in applicable law, regulations, or Government-wide policies. The State Agency will report any non-compliance with handling requirements to SSA using methods approved by SSA.

**I. STATE AGENCY’S RESPONSIBILITIES:** The State Agency will not direct individuals to SSA field offices to obtain data that the State Agency is authorized to receive under this IEA in accordance with Table 1. Where disparities exist between individual-supplied data and SSA’s data, the State Agency will take the following steps before referring the individual to an SSA field office:

- Check its records to be sure that the data of the original submission has not changed (e.g., last name recently changed);
- Contact the individual to verify the data submitted is accurate; and,
- Consult with the SSA Regional Office Contact to discuss options before advising individuals to contact SSA for resolution. The Regional Office Contact will inform the State Agency of the current protocol through which the individual should contact SSA, i.e., visiting the field office, calling the national network service number, or creating an online account via *my* Social Security.

**J. CONTRACTOR/AGENT RESPONSIBILITIES:** The State Agency will restrict access to the data obtained from SSA to only those authorized State Agency employees, contractors, and agents who need such data to perform their official duties in connection with purposes identified in this IEA/S. At SSA’s request, the State Agency will obtain from each of its contractors and agents a current list of the employees of such contractors and agents who have access to SSA data disclosed under this IEA/S. The State Agency will require its contractors, agents, and all employees of such contractors or agents with authorized access to the SSA data disclosed under this IEA/S, to comply with the terms and conditions set forth in this IEA/S, and not to duplicate, disseminate, or disclose such data without obtaining SSA’s prior written approval. In addition, the State Agency will comply with the limitations on use, duplication, and redisclosure of SSA data as set forth in the privacy protection provisions, attached as **Attachment 1**, especially with respect to the use of such data by its contractors and agents.

**K. SAFEGUARDING AND REPORTING RESPONSIBILITIES FOR PERSONALLY IDENTIFIABLE INFORMATION (“PII”):**

1. The State Agency will ensure that its employees, contractors, and agents receiving or accessing SSA data under this IEA/S:
  - a. properly safeguard PII furnished by SSA under this IEA/S from loss, theft, or inadvertent disclosure;
  - b. understand that they are responsible for safeguarding this information at all times, regardless of whether or not the State employee, contractor, or agent is at his or her regular duty station;
  - c. ensure that laptops and other electronic devices/media containing PII are encrypted and/or password protected;
  - d. send emails containing PII only if encrypted or if to and from addresses that are secure; and
  - e. limit disclosure of the information and details relating to a PII loss only to those with a need to know.
  
2. If an employee of the State Agency or an employee of the State Agency’s contractor or agent becomes aware of suspected or actual loss of PII, he or she must immediately contact the State Agency official responsible for Systems Security designated below or his or her delegate. That State Agency official or delegate must then notify the SSA Regional Office Contact and the SSA Systems Security Contact identified below. If, for any reason, the responsible State Agency official or delegate is unable to notify the SSA Regional Office or the SSA Systems Security Contact within 1 hour, the responsible State Agency official or delegate must report the incident by contacting SSA’s National Network Service Center (NNSC) at 1-877-697-4889. The responsible State Agency official or delegate will use the worksheet, attached as **Attachment 4**, to quickly gather and organize information about the incident. The responsible State Agency official or delegate must provide to SSA timely updates as any additional information about the loss of PII becomes available.
  
3. SSA will make the necessary contact within SSA to file a formal report in accordance with SSA procedures. SSA will notify the Department of Homeland Security’s United States Computer Emergency Readiness Team if loss or potential loss of PII related to a data exchange under this IEA/S occurs.
  
4. If the State Agency experiences a loss or breach of data, the State Agency will determine whether or not to provide notice to individuals whose data has been lost or breached and bear any costs associated with the notice or any mitigation.

- M. DURATION:** The effective date of this IEA/S is September 1, 2020. This IEA/S will remain in effect for as long as the State Agency submits a certification in accordance with Section N. below.
- N. CERTIFICATION AND PROGRAM CHANGES:** The State Agency will certify compliance with the terms and conditions of this IEA/S every 30 months commencing with the effective date of this IEA/S. At least 30 days before the close of each 30-month period, the State Agency will certify in writing to SSA that: (1) it is in compliance with the terms and conditions of this IEA/S, including the privacy protection provisions in **Attachment 1**; (2) the data exchange processes under this IEA/S have been and will be conducted without change; and (3) it will, upon SSA's request, provide audit reports or other documents that demonstrate review and oversight activities. If there are substantive changes in any of the programs or data exchange processes listed in this IEA/S, the parties will modify this IEA/S in accordance with Section O. below and the State Agency will submit for SSA's approval new DXRFs under Section D. above describing such changes prior to using SSA's data to administer such new or changed program.
- O. MODIFICATION:** Modifications to this IEA/S must be in writing and agreed to by the parties.
- P. TERMINATION:** The parties may terminate this IEA/S at any time upon mutual written consent. In addition, either party may unilaterally terminate this IEA/S upon 90 days advance written notice to the other party. Such unilateral termination will be effective 90 days after the date of the notice, or at a later date specified in the notice.

SSA may immediately and unilaterally suspend the data flow under this IEA/S, or terminate this IEA/S, if SSA, in its sole discretion, determines that the State Agency (including its employees, contractors, and agents) has: (1) made an unauthorized use or disclosure of SSA-supplied data; or (2) violated or failed to follow the terms and conditions of this IEA/S.

**Q. DISCLAIMER:** SSA is not liable for any damages or loss resulting from errors in the data disclosed to the State Agency under this IEA/S. Furthermore, SSA is not liable for any damages or loss resulting from the destruction of any materials or data provided by the State Agency.

**R. INTEGRATION:** This IEA/S, including all attachments, constitutes the entire agreement of the parties with respect to its subject matter. There have been no representations, warranties, or promises made outside of this IEA/S. This IEA/S shall take precedence over any other document that may be in conflict with it.

### **ATTACHMENTS**

- 1 – Privacy Protection Provisions
- 2 – SSA Data Exchange Systems
- 3 – Electronic Information Exchange Security Requirements and Procedures for State and Local Agencies Exchanging Electronic Information with the Social Security Administration
- 4 – PII Loss Reporting Worksheet

**S. AUTHORIZED SIGNATURES:** The signatories below warrant and represent that they have competent authority on behalf of their respective agency to enter into the obligations set forth in this IEA.

The signatories may sign this document electronically by using an approved electronic signature process. Each signatory electronically signing this document agrees that his/her electronic signature has the same legal validity and effect as his/her handwritten signature on the document, and that it has the same meaning as his/her handwritten signature.

**INFORMATION EXCHANGE AGREEMENT**  
**BETWEEN**  
**THE SOCIAL SECURITY ADMINISTRATION (SSA)**  
**AND**  
**THE ILLINOIS DEPARTMENT OF HUMAN SERVICES (DHS)**  
**2020-197-DSA-FCS**

- A. PURPOSE:** The purpose of this Information Exchange Agreement (“IEA”) is to establish the terms, conditions, and safeguards under which SSA will disclose to the State Agency certain information, records, or data (herein “data”) to assist the State Agency in administering certain federally funded, state-administered benefit programs (including state-funded, state supplementary payment programs under Title XVI of the Social Security Act) identified in this IEA. By entering into this IEA, the State Agency agrees to comply with:
- the terms and conditions set forth in the Computer Matching and Privacy Protection Act Agreement (“CMPPA Agreement”) attached as **Attachment 1**, governing the State Agency’s use of the data disclosed from SSA’s Privacy Act System of Records; and
  - all other terms and conditions set forth in this IEA and Attachments 2 through 6.

**B. PROGRAMS AND DATA EXCHANGE SYSTEMS:** (1) The State Agency will use the data received or accessed from SSA under this IEA for the purpose of administering the federally funded, state-administered programs identified in **Table 1** below. In **Table 1**, the State Agency has identified: (a) each federally funded, state-administered program that it administers; and (b) each SSA data exchange system to which the State Agency needs access in order to administer the identified program. The list of SSA’s data exchange systems is attached as **Attachment 2**. **Attachment 2** provides a brief explanation of each system, as well as use parameters, as necessary.

**TABLE 1**

<b>FEDERALLY FUNDED BENEFIT PROGRAMS</b>	
Program	SSA Data Exchange System(s) <i>(Enter the acronym for one or more of SSA’s data exchange systems listed in Attachment 2)</i>
<input checked="" type="checkbox"/> Medicaid	SVES IV, BENDEX, SDX, SOLQ, SOLQ/CIT
<input checked="" type="checkbox"/> Temporary Assistance to Needy Families (TANF)	SVES IV, BENDEX, SDX, SOLQ, EVS, QC, PUPS
<input checked="" type="checkbox"/> Supplemental Nutrition Assistance Program (SNAP- formally Food Stamps)	SVES IV, BENDEX, SDX, SOLQ
<input type="checkbox"/> Unemployment Compensation	
<input type="checkbox"/> State Child Support Agency	
<input type="checkbox"/> Low-Income Home Energy Assistance Program (LI-HEAP)	

<input type="checkbox"/> Workers Compensation	
<input checked="" type="checkbox"/> Vocational Rehabilitation Services	SVES IV, BENDEX, SDX
<input type="checkbox"/> Foster Care (IV-E)	
<input type="checkbox"/> State Children’s Health Insurance Program (CHIP)	
<input type="checkbox"/> Women, Infants and Children (W.I.C.)	
<input type="checkbox"/> Medicare Savings Programs (MSP)	
<input type="checkbox"/> Medicare 1144 (Outreach)	
<input type="checkbox"/> Other Federally Funded, State-Administered Programs (List Below)	
Program	SSA Data Exchange System(s)
Child Care Assistance Program	SVES IV, BENDEX, SDX
Independent Living Services for Older Individuals Who are Blind	SVES I
SSI State Supplement Cash Assistance	SVES IV, BENDEX, SDX

(2) The State Agency will use each identified data exchange system ***only*** for the purpose of administering the specific program for which access to the data exchange system is provided. SSA data exchange systems are protected by the Privacy Act and Federal law prohibits the use of SSA’s data for any purpose other than the purpose of administering the specific program for which such data is disclosed. In particular, the State Agency will:

- a) use the **Federal tax information** disclosed by SSA only to determine individual eligibility for, or the amount of, assistance under a program listed in 26 U.S.C. § 6103(1)(7) and (8).
- b) use **citizenship status data** disclosed by SSA only to determine entitlement of *new applicants* to: (a) the Medicaid program and CHIP pursuant to the Children’s Health Insurance Program Reauthorization Act of 2009, Pub. L. 111-3; or (b) federally funded, state-administered health or income maintenance programs approved by SSA to receive the *SSA Data Set* through the Centers for Medicare & Medicaid Services’ (CMS) Federal Data Services Hub (Hub).

Applicants for Social Security numbers (SSN) report their citizenship data at the time they apply for their SSNs; there is no obligation for an individual to report to SSA a change in his or her immigration status until he or she files a claim for benefits.

**C. DATA EXCHANGE REQUEST FORM (DXRF), FORM SSA-157:** Prior to signing this IEA, the State Agency will complete and submit to SSA a Form SSA-157 DXRF for each of

the federally funded, state-administered programs checked in **Table 1** above. SSA will not disclose any data under this IEA until it has received and approved the completed DXRF for each of the programs identified in **Table 1** above.

**D. TRANSFER OF DATA:** SSA will transmit the data to the State Agency under this IEA using the data transmission method identified in **Table 2** below:

**TABLE 2**

TRANSFER OF DATA
<input type="checkbox"/> Data will be transmitted directly between SSA and the State Agency.
<input checked="" type="checkbox"/> Data will be transmitted directly between SSA and ILLINOIS DEPARTMENT OF INNOVATION AND TECHNOLOGY (DoIT) (State Transmission/Transfer Component (“STC”)) by <u>File Transfer Management System (FTMS)</u> , a secure mechanism approved by SSA. The STC will serve as the conduit between SSA and the State Agency pursuant to the State STC Agreement.
<input type="checkbox"/> Data will be transmitted directly between SSA and CMS’ Hub by a secure method of transfer approved by SSA. CMS will transmit the <i>SSA Data Set</i> between SSA and the State Agency pursuant to an agreement between SSA and CMS regarding the use of the Hub.
<input type="checkbox"/> Data will be transmitted [ <i>select one: <u>directly between SSA and the Interstate Connection Network (“ICON”) or through the [name of STC Agency/Vendor] as the conduit between SSA and the Interstate Connection Network (“ICON”)</u></i> ]. ICON is a wide area telecommunications network connecting state agencies that administer the state unemployment insurance laws. When receiving data through ICON, the State Agency will comply with the “Systems Security Requirements for SSA Web Access to SSA Information Through the ICON,” attached as <b>Attachment 3</b> .

**E. SECURITY PROCEDURES:** The State Agency will comply with limitations on use, treatment, and safeguarding of data under the Privacy Act of 1974 (5 U.S.C. § 552a), as amended by the Computer Matching and Privacy Protection Act of 1988, related Office of Management and Budget guidelines, the Federal Information Security Management Act of 2002 (44 U.S.C. § 3551, et seq.), and related National Institute of Standards and Technology guidelines. In addition, the State Agency will comply with SSA’s “Electronic Information Exchange Security Requirements and Procedures for State and Local Agencies Exchanging Electronic Information with the Social Security Administration,” attached as **Attachment 4**, as well as the Security Certification Requirements for use of the *SSA Data Set* transmitted via CMS’ Hub, attached as **Attachment 5**. The SSA security controls identified under **Attachment 4** of this IEA prevail for all SSA data received by the State Agency, as identified in Table 1 of this IEA. For any tax return data, the State Agency will also comply with the “Tax Information Security Guidelines for Federal, State and Local Agencies,” Publication 1075, published by the Secretary of the Treasury and available at the following Internal Revenue Service (IRS) website: <http://www.irs.gov/pub/irs-pdf/p1075.pdf>. This IRS Publication 1075 is incorporated by reference into this IEA.

**F. CONTROLLED UNCLASSIFIED INFORMATION (CUI) REQUIREMENTS:**

Pursuant to 32 C.F.R. § 2002.16(a)(6), the State Agency must handle any CUI in accordance with Executive Order 13556, 32 C.F.R. Part 2002, and the CUI Registry. The State Agency acknowledges that misuse of CUI is subject to penalties established in applicable law, regulations, or Government-wide policies. The State Agency will report any non-compliance with handling requirements to SSA using methods approved by SSA.

**G. STATE AGENCY'S RESPONSIBILITIES:** The State Agency will not direct individuals to SSA field offices to obtain data that the State Agency is authorized to receive under this IEA in accordance with Table 1. Where disparities exist between individual-supplied data and SSA's data, the State Agency will take the following steps before referring the individual to an SSA field office:

- Check its records to be sure that the data of the original submission has not changed (e.g., last name recently changed);
- Contact the individual to verify the data submitted is accurate; and,
- Consult with the SSA Regional Office Contact to discuss options before advising individuals to contact SSA for resolution. The Regional Office Contact will inform the State Agency of the current protocol through which the individual should contact SSA, i.e., visiting the field office, calling the national network service number, or creating an online account via *my* Social Security.

**H. CONTRACTOR/AGENT RESPONSIBILITIES:** The State Agency will restrict access to the data obtained from SSA to only those authorized State employees, contractors, and agents who need such data to perform their official duties in connection with purposes identified in this IEA. At SSA's request, the State Agency will obtain from each of its contractors and agents a current list of the employees of its contractors and agents who have access to SSA data disclosed under this IEA. The State Agency will require its contractors, agents, and all employees of such contractors or agents with authorized access to the SSA data disclosed under this IEA, to comply with the terms and conditions set forth in this IEA, and not to duplicate, disseminate, or disclose such data without obtaining SSA's prior written approval. In addition, the State Agency will comply with the limitations on use, duplication, and redisclosure of SSA data set forth in the CMPPA Agreement, especially with respect to its contractors and agents.

**I. SAFEGUARDING AND REPORTING RESPONSIBILITIES FOR PERSONALLY IDENTIFIABLE INFORMATION ("PII"):**

5. The State Agency will ensure that its employees, contractors, and agents:
  - f. properly safeguard PII furnished by SSA under this IEA from loss, theft, or inadvertent disclosure;
  - g. understand that they are responsible for safeguarding this information at all times, regardless of whether or not the State employee, contractor, or agent is at his or her regular duty station;
  - h. ensure that laptops and other electronic devices/media containing PII are encrypted and/or password protected;

- i. send emails containing PII only if encrypted or if to and from addresses that are secure; and
  - j. limit disclosure of the information and details relating to a PII loss only to those with a need to know.
6. If an employee of the State Agency or an employee of the State Agency's contractor or agent becomes aware of suspected or actual loss of PII, he or she must immediately contact the State Agency official responsible for Systems Security designated below or his or her delegate. That State Agency official or delegate must then notify the SSA Regional Office Contact and the SSA Systems Security Contact identified below. If, for any reason, the responsible State Agency official or delegate is unable to notify the SSA Regional Office or the SSA Systems Security Contact within 1 hour, the responsible State Agency official or delegate must report the incident by contacting SSA's National Network Service Center at 1-877-697-4889. The responsible State Agency official or delegate will use the worksheet, attached as **Attachment 6**, to quickly gather and organize information about the incident. The responsible State Agency official or delegate must provide to SSA timely updates as any additional information about the loss of PII becomes available.
  7. SSA will make the necessary contact within SSA to file a formal report in accordance with SSA procedures. SSA will notify the Department of Homeland Security's United States Computer Emergency Readiness Team if loss or potential loss of PII related to a data exchange under this IEA occurs.
  8. If the State Agency experiences a loss or breach of data, it will determine whether or not to provide notice to individuals whose data has been lost or breached and bear any costs associated with the notice or any mitigation.

- K. DURATION:** The effective date of this IEA is September 1, 2020. This IEA will remain in effect for as long as: (1) a CMPPA Agreement governing this IEA is in effect between SSA and the State or the State Agency; and (2) the State Agency submits a certification in accordance with Section L. below at least 30 days before the expiration and renewal of such CMPPA Agreement.
- L. CERTIFICATION AND PROGRAM CHANGES:** At least 30 days before the expiration and renewal of the State CMPPA Agreement governing this IEA, the State Agency will

certify in writing to SSA that: (1) it is in compliance with the terms and conditions of this IEA; (2) the data exchange processes under this IEA have been and will be conducted without change; and (3) it will, upon SSA's request, provide audit reports or other documents that demonstrate review and oversight activities. If there are substantive changes in any of the programs or data exchange processes listed in this IEA, the parties will modify the IEA in accordance with Section M. below and the State Agency will submit for SSA's approval new Form SSA-157 DXRFs under Section C. above describing such changes prior to using SSA's data to administer such new or changed program.

**M. MODIFICATION:** Modifications to this IEA must be in writing and agreed to by the parties.

**N. TERMINATION:** The parties may terminate this IEA at any time upon mutual written consent. In addition, either party may unilaterally terminate this IEA upon 90 days advance written notice to the other party. Such unilateral termination will be effective 90 days after the date of the notice, or at a later date specified in the notice.

SSA may immediately and unilaterally suspend the data flow under this IEA, or terminate this IEA, if SSA, in its sole discretion, determines that the State Agency (including its employees, contractors, and agents) has: (1) made an unauthorized use or disclosure of SSA-supplied data; or (2) violated or failed to follow the terms and conditions of this IEA or the CMPPA Agreement.

**O. INTEGRATION:** This IEA, including all attachments, constitutes the entire agreement of the parties with respect to its subject matter. There have been no representations, warranties, or promises made outside of this IEA. This IEA shall take precedence over any other document that may be in conflict with it.

#### **ATTACHMENTS**
