

Logic Model

Redeploy Illinois

Goal: To decrease juvenile incarceration through the creation of evidence based community programs that maintain public safety and promote positive outcomes for youth.

Eligibility: Any youth under the jurisdiction of the juvenile court, not currently in IDJJ, that is facing a possible commitment to IDJJ for a charge other than murder or a Class X forcible felony.

Input	Activities	Strategies	Intermediate Outcomes	Outcomes
<ul style="list-style-type: none"> • Redeploy Illinois Statute • Grant Funding • Training • Technical Assistance • Annual Report to Governor and General Assembly • Redeploy Illinois Oversight Board • ICJIA – Data Collection and Analysis Support • Monthly Data Reporting • Probation Staff • IL Dept of Juvenile Justice • Judges; States Attorneys; Public Defenders • County Boards • Local Data • Research • YASI Data Systems (AOIC/e Cornerstone) 	<ul style="list-style-type: none"> • Youth Assessment Screening Instrument (YASI) • Cognitive Education and Treatment • Community Restorative Boards • Employment Services: work readiness; job seeking skills; job maintenance skills & support etc. • Education Advocacy & Support; GED enrollment/support; vocational training; college readiness; etc. • Global Positioning System Monitoring • Home Detention • Individualized Staffings • Mental Health Counseling and Treatment • Multidisciplinary Case Review Meetings • Parent/Family Support Services • Connect families to DHS Local Area Offices; ABE website, etc. • Positive Recreational Activities • Mentoring Services • Psychological and Psychiatric Evaluations • Substance Abuse Counseling and Treatment • Court Diversion Programs • Tele-Psychiatry • Transportation Services • Trauma screening / services • Tutoring and IEP advocacy & support services • Victim-Related Services • Aggression Replacement Training • Washington Aggression Interruption Training • Functional Family Therapy • MultiSystemic Therapy • Parenting with Love and Limits • Conduct regular community stakeholder meetings • Educate the community about JJ System Practitioners and current Juvenile Research • Advocacy 	<ul style="list-style-type: none"> • Implement programming that diverts Redeploy eligible youth from IDJJ commitments • Implement policies that ensure local responsibility and authority for planning, organizing, and coordinating service resources in the community • Establish a continuum of local, community-based sanctions and treatment alternatives • Ensure appropriate risk and needs assessments are utilized. • Develop, implement and complete individualized care plans based on identified needs from appropriate assessments • Provide community-based services to youth in the least restrictive setting possible • Implement programming that is research or evidence-based as proven or promising • Implement non-traditional services and programs that supplement EBP • Offender accountability through restorative justice practices that ensure offenders understand how their actions affected others and take responsibility for actions • Empower communities to take responsibility for the well-being of its members • Increase youth competencies and protective factors • Ensure youth receive necessary mental health and substance abuse services • Ensure youth receive education and employment services • Involve the family in the provision of services • Connect eligible youth & families to mainstream benefits (SSI, Medicaid, TANF, SNAP, WIC etc.) • Implement strategies that foster commitment and involvement of local stakeholders • Data driven decision making 	<p>In Redeploy Illinois Counties:</p> <ul style="list-style-type: none"> • Increase in the number of Redeploy eligible youth diverted from IDJJ • Increased use of community-based treatment alternatives • Increase in the number of RI youth successfully completing the RI program • Increased protective factors for RI youth • Decreased risk factors for RI youth • RI Youth will receive services to address identified needs (MH, SA, Trauma, Educational or Learning Disabilities, Truancy, Life Skills etc.) • Improved education performance/outcomes for RI youth • Increased family functioning and stability for RI youth • Eligible youth and families will be connected to mainstream benefits. • Decrease in new adjudications for RI youth 	<p>In Redeploy Illinois Counties:</p> <ul style="list-style-type: none"> • Decreased juvenile incarceration • Reduced reliance on IDJJ • Reduced juvenile recidivism • RI Youth will be Employed • RI Youth will have a HS Diploma or GED • RI Youth will be in a stable living arrangement • RI Youth will have an increase in positive adult relationships
