SECTION I
The following section provides Eligibility and Funding Information & Requirements for the PREP Continuation Application.

A. Eligibility Information
1. Eligible Applicants
   This Continuation Application is limited to those public or private, not-for-profit community-based agencies who received an award from the Illinois Department of Human Services, Division of Family and Community Services for the implementation of the Personal Responsibility Education Program (PREP) Training pursuant to DHS Funding Notice (#19-444-80-0687) AND continue to meet the additional eligibility criteria below. Failure to provide the requested information as outlined herein to demonstrate these criteria are met will result in the application being removed from funding consideration.

2. Pre-Qualification
   Applicant entities will not be eligible to apply for a grant award until they have pre-qualified through the Grant Accountability and Transparency Act (GATA) Grantee Portal, www.grants.illinois.gov Grantee Links tab. Registration and pre-qualification are required annually. During pre-qualification, verifications are performed including a check of federal Debarred and Suspended status on the Illinois Stop Payment List and good standing with the Secretary of State. An automated email notification is sent to the entity alerting them of “qualified” status or providing information about how to remediate a negative verification (e.g., inactive DUNS, not in good standing with the Secretary of State). A federal Debarred and Suspended status cannot be remediated. The pre-qualification process also includes a financial and administrative risk assessment utilizing an Internal Controls Questionnaire. A Programmatic Risk Assessment must also be completed for each separate grant for which an applicant intends to apply. Applicants must be pre-qualified, therefore, applications from entities that have not completed the GATA pre-qualification process prior to the due date of this application will NOT be reviewed and will NOT be considered for funding. A screenshot or statement indicating the applicant has completed pre-qualification steps and is currently Pre-Qualified will be required with the application.

   The Provider’s proposed budget must be entered into the CSA system. The completed budget must be electronically signed and submitted in the CSA system, and a printed copy of the signed and submitted budget must be included with the application. To do this, the following is required: at a minimum, the applicant agency’s Chief Executive Officer (CEO) or equivalent, or the Chief Financial Officer (CFO) or equivalent must be registered in the CSA system to electronically sign the required budget documents prior to submission. Budgets not submitted as described here and by the due date and time will not be considered.

   For more information about submitting a budget in the CSA system, refer to Appendix 2 and also see: http://www.dhs.state.il.us/OneNetLibrary/27896/documents/Contracts/FY18-GATA-Budgets/DHSBudgetTrainingManual_Revision_3_28_18.pdf.

3. Dun and Bradstreet Universal Numbering System (DUNS) Number and System for Award Management (SAM)
   Each applicant is required to:
   A. Be registered in SAM before submitting the application. The following link provides a
connection for SAM registration: https://governmentcontractregistration.com/sam-registration.asp;

B. provide a valid DUNS number in its application; and

C. continue to maintain an active SAM registration with current information at all times in which the applicant has an active Federal, Federal pass-through or State award or an application or plan under consideration by a Federal or State awarding agency.

DHS may not make a Federal pass-through or State award to an applicant until the applicant has complied with all applicable DUNS and SAM requirements and, if an applicant has not fully complied with the requirements by the time DHS is ready to make the award, DHS may determine that the applicant is not qualified to receive the award and use that determination as a basis for making the award to another applicant.

4. Mandatory Requirements of Applicant

The Mandatory Requirements are essential items that must be met by the Applicant. If any Mandatory Requirement is not met, the responding Applicant’s entire proposal will not be considered. DHS is not obligated to make an award to any applicant that fails to meet all mandatory requirements.

A. The provider must be in a position to begin providing services on July 1, 2019.

B. Technology: Agencies awarded funds through this funding notice must have a computer that meets the following minimum specifications for the purpose of receipt/submission of electronic program and fiscal information:
   - Internet access, preferably high-speed
   - Email capability
   - Microsoft Excel
   - Microsoft Word
   - Adobe Reader

C. State and Federal Laws and Regulations: The agency awarded funds through this NOFO must agree to comply with all applicable provisions of state and federal laws and regulations pertaining to nondiscrimination, sexual harassment and equal employment opportunity including, but not limited to: The Illinois Human Rights Act (775 ILCS 5/1 101 et seq.), The Public Works Employment Discrimination Act (775 ILCS 10/1 et seq.), The United States Civil Rights Act of 1964 (as amended) (42 USC 2000a-and 2000H-6), Section 504 of the Rehabilitation Act of 1973 (29 USC 794), The Americans with Disabilities Act of 1990 (42 USC 12101 et seq.), and The Age Discrimination Act (42 USC 6101 et seq.).

5. Additional Eligibility

A. Sectarian Issue: Provider organizations may not expend federal or state funds for sectarian instruction, worship, prayer or to proselytize. If the Provider organization is a faith-based or a religious organization that offers such activities, these activities shall be voluntary for the individuals receiving services and offered separately from the program.

B. Background Checks: Background checks are required for all program staff and volunteers who have the potential for contact with youth under 18. These background checks must be completed in advance of individuals working directly with youth. Such individuals will authorize such checks in writing and submit to fingerprinting when required. The agency shall retain the signed form authorizing the background check. All background check information, including the signed authorizing forms shall be maintained separately in a confidential file, apart from the employee’s personnel records. C. Child Abuse/Neglect Reporting Mandate: Per the Abused and Neglected Child Reporting Act (ANCRA, 325 ILCS 5/4), mandated reporters are professionals who may work with children in the course of their professional duties. Mandated reporters are required to report suspected child maltreatment immediately when they have “reasonable cause to believe that a child known to them in their professional or official capacity may be an abused or neglected child” (ANCRA Sec.4). This is done by calling the Illinois Department of Children and Family Services (DCFS) Hotline at 1-800-252-2873 or 1-800-25ABUSE. Programs funded through this grant opportunity must review ANCRA and, where appropriate, have a written protocol for identifying and reporting suspected child maltreatment.

D. Hiring and Employment Policy: It is the policy of the Department to encourage cultural diversity in the work environment and to promote employment opportunities through its programs. The Department philosophy is that the program workforce should appropriately reflect the populations to be served, with special attention given to hiring individuals indigenous to those communities. Consistent with Department policy, whenever a position becomes available, funded programs are encouraged to consider TANF clients for employment, contingent upon their qualifications in the areas of education and work experience.

2. Grant Funds – Use Requirements
   All applicants will use grant funds according to the guidelines, conditions and parameters set forth in this funding notice and in compliance with federal statutes, regulations and the terms and conditions of any applicable federal awards.
Please refer to 2 CFR 200 - Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, PART 200 Subpart E - Cost Principles to determine the appropriateness of costs.

A. Allowable costs:
Allowable costs are those that are necessary and reasonable based on the activity(ies) contained in the Scope of Work, are justified in the Budget Narrative, and are allowable under Subpart E of 2 CFR 200. Funding allocated under these grants is intended to provide direct services to youth. It is expected that administrative costs, both direct and indirect, will represent a small portion of the overall program budget. Any budget deemed to include inappropriate or excessive administrative costs will not be approved. Program budgets and narratives must detail how all proposed expenditures are necessary for program implementation.

B. Unallowable costs
Please refer to 2 CFR 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, PART 200 Subpart E – Cost Principles to determine the appropriateness of costs. In addition, and specific to this grant, the following costs will be unallowable without specific prior written approval from DHS:

1. Entertainment costs, except where specific costs that might otherwise be considered entertainment have a programmatic purpose and are authorized in the approved budget (2 CFR 200.438)
2. Capital expenditures for general purpose equipment, including any vehicle regardless of cost, buildings, and land (2 CFR 200.439)
3. Capital expenditures for improvements to land, buildings, or equipment which materially increase their value or useful life (2 CFR 200.439)

5. Deposits for items, services, or space

C. Limitation of Use of Award funds for Employee Compensation: With respect to any award over $250,000, recipients may not use federal funds to pay total cash compensation to any employee that exceeds 110% of the maximum annual salary payable to a member of the Federal Government's Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. A salary table is available at the U.S. Office of Personnel Management website

D. Indirect cost requirements
In order to charge indirect costs to this grant, the applicant organization must have a Federal or State annually negotiated indirect cost rate agreement (NICRA) or must elect to use the De Minimis Rate.

Every organization that receives an FY2020 state award must make an indirect cost rate proposal or election in the Crowe Activity Review System (CARS), including organizations that are choosing not to claim payment for indirect costs.
CARS URL:
Indirect Cost Rate Election:

1. **Federally Negotiated Rate.** Organizations that receive direct federal funding may have an indirect cost rate that was negotiated with the Federal Cognizant Agency. Illinois will accept the federally negotiated rate. The organization must provide a copy of the federal NICRA as Attachment B2.

2. **State Negotiated Rate.** The organization must negotiate an indirect cost rate with the State of Illinois by completing an indirect cost rate proposal in the CARS system if they do not have Federally Negotiated Rate or elect to use the De Minimis Rate.

3. **De Minimis Rate.** An organization that has never received a Federal or State Negotiated Rate may elect a de Minimis rate of 10% of modified total direct cost (MTDC). Once established, the de Minimis rate may be used indefinitely. The State of Illinois must verify the calculation of the MTDC annually in order to accept the de Minimis rate. If programs elect to use the De Minimis rate, it is critical that program budgets accurately calculate the MTDC base. Please see the regulation below and note the exclusions to MTDC.

   **2 CFR § 200.68 Modified Total Direct Cost (MTDC).**

   MTDC means all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards and subcontracts up to the first $25,000 of each subaward or subcontract (regardless of the period of performance of the subawards and subcontracts under the award). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward and subcontract in excess of $25,000. Other items may only be excluded when necessary to avoid a serious inequity in the distribution of indirect costs, and with the approval of the cognizant agency for indirect costs.

   E "No Rate": Grantees have discretion not to claim payment for indirect costs. Grantees that elect not to claim indirect costs cannot be reimbursed for indirect costs. The organization must record an election of "No Indirect Costs" into CARS.

**Crowe Activity Review System (CARS).**

CARS will allow your organization to document your already established federally approved indirect cost rate, complete an indirect cost rate proposal (see State Negotiated Rate above), elect to charge the De Minimis rate (10%) of modified total direct costs (MTDC), or select that no reimbursement of indirect costs will be requested. Submission requirements are located on page 2 of the Uniform Budget Template as well as 2 CFR 200 Appendices IV, V & VII.

1. Organizations which have not previously made an indirect cost rate election must submit an election (and indirect cost rate proposal, if necessary) immediately and no later than 3 months after receiving an award notification or invitation to the CARS system.

2. Organizations that have previously established an indirect cost rate election must submit a new indirect cost rate election immediately and no later than 6 months after the close of their organization’s fiscal year.

3. Every organization must make an indirect cost rate election in CARS even if the organization is choosing De Minimis Rate or "no rate". Organizations that do not make an election or submission inside the CARS system within the required
4. For more information, see https://www.illinois.gov/sites/GATA/Pages/default.aspx.

3. Administrative costs
   It is expected that administrative costs, both direct and indirect, will represent a small portion of the overall program budget. Program budgets and narratives will detail how all proposed expenditures are directly necessary for program implementation and will distinguish between Indirect/Direct Administrative and Direct Program expenses. Any budget deemed to include inappropriate or excessive administrative costs will not be approved. **At no time may the approved NICRA be exceeded under this agreement. Documentation will be required to verify the approved NICRA.**

4. Simplified Acquisition Threshold
   Potential grantees under this funding announcement may receive an award in excess of the Simplified Acquisition Threshold, currently $250,000 (Refer to 2CFR200 Section 200.88). Therefore, the grantee must be aware of the following regarding the Simplified Acquisition Threshold as it will be applicable to any qualifying sub award:
   - That the grantee agency, prior to making a sub-award with a total amount of funds greater than the simplified acquisition threshold, is required to review and consider any information about the applicant that is in the designated integrity and performance system accessible through SAM (currently FAPIIS) (see 41 U.S.C. 2313);
   - That an applicant, at its option, may review information in the designated integrity and performance systems accessible through SAM and comment on any information about itself that the awarding agency previously entered and is currently in the designated integrity and performance system accessible through SAM;
   - That the awarding agency will consider any comments by the applicant, in addition to the other information in the designated integrity and performance system, in making a judgment about the applicant's integrity, business ethics, and record of performance under awards when completing the review of risk posed by applicants as described in §200.205 awarding agency review of risk posed by applicants.
