Illinois WIC Authorized Product List UPC Submission Form

If a food item is not scanning as a WIC approved item a request can be submitted to have the product reviewed. To submit a product, complete the information below or for multiple items complete the IL WIC UPC Request Spreadsheet. All submissions must be for a product that is currently approved on the Illinois WIC Authorized Food List and include photos that clearly show the Nutrition Facts, including ingredients, size, UPC, product name and brand. Submit completed forms and photos to DHS.WICFoods@illinois.gov
