By signing below, I acknowledge that I provided Early Intervention information about my automatically-withdrawing tax savings account and that I understand Early Intervention has/will exempt the use of my private health insurance to ensure my tax savings account is not utilized for payment of Early Intervention services. I DO NOT wish to receive this exemption.

I DO wish to have Early Intervention submit claims to my private health insurance and I understand that the claims may be paid out of my tax savings account at the rates according to my tax savings plan.
