Welcome to the Home Services Program (HSP)! The enclosed documents must be reviewed and completed before you can begin receiving payment for services provided to an HSP customer. Many of the enclosed forms require your information and signature and the signature of the customer you want to work for. These forms must be completed in their entirety and returned to your Customer’s local DRS office. If the Customer is in a Managed Care Organization (MCO), these documents will still be turned into the Customer’s local DRS office.
