Apply the overall credit to the two-parent  yes  
participation rate?  no

**PART 1 –Eligibility Changes Made Since FY 2005**  
(Complete this section for EACH change)

1. Name of eligibility change: Two Parent Families Paid With State Only Funds
2. Implementation date of eligibility change: October 1, 2006
3. Description of policy, including the change from prior policy: All two parent families are now paid for out of state only funds (not claimed as MOE) and no longer are included in the participation rate.
  
4. Description of the methodology used to calculate the estimated impact of this eligibility change (attach supporting materials to this form): Since the entire universe of two parent cases was shifted to state only funds the actual number of two parent cases were averaged for the year to determine the average monthly impact.

5. Estimated average monthly impact of this eligibility change on caseload in comparison year: -1,551

**PART 3 -- Certification**

I certify that we have provided the public an appropriate opportunity to comment on the estimates and methodology used to complete this report and considered those comments in completing it. Further, I certify that this report incorporates all reductions in the caseload resulting from State eligibility changes and changes in Federal requirements since Fiscal Year 2005.
