### **Allegation**

On November 8, 2018, the Office of the Inspector General received a reported allegation of physical abuse regarding American Warriors. It was alleged that XXXXX punched XXXXX in the head on October 26, 2018.

### **Synopsis**

On October 25, 2018, XXXXX was called to the home because XXXXX was threatening staff after becoming upset because he was not allowed to cook. Eventually, XXXXX called 911 and XXXXX was taken to XXXXX for an evaluation, but he was not admitted. On October 26, 2018, at about 3:00 a.m., XXXXXXXXXXXX and XXXXXXXXXXXX transported XXXXX home after his discharge from XXXXX. After he entered the home, XXXXX and XXXXX observed XXXXX push XXXXX onto a chair/sofa and repeatedly hit him in his head. XXXXX corroborated that XXXXX physically abused him, by pushing him in his back and waist area and shoving him, after he had just been released from the hospital. XXXXX displayed red marks on his left ear, red marks along his right ear, and a small laceration on the right side of his neck which XXXXX and XXXXX said he did not have when they dropped him off.

### **Findings**

Based on the facts in this case, the following was concluded: The allegation of physical abuse against XXXXX is substantiated.
