**Allegation**

On December 30, 2017, the Office of the Inspector General received a reported allegation of physical abuse for Community Alternatives Illinois, Incorporated (CAIL/ResCare). It is alleged on December 30, 2017, XXXXX pulled individual XXXXXXXXXXXXXXXXXXXX hands and caused him to fall out of bed and onto the floor.

**Synopsis**

XXXXXXXX has a behavior plan that allows staff to remove electronics when he is non-compliant in going to day training, but it does not allow them to do this during any other documented types of behaviors. When XXXXX told XXXXXXXX to take his shower, he refused so XXXXX took his iPhone speaker and put it in the cabinet. When attempted to take XXXXXXXX's tablet from him, XXXXXXXX put it under his body while lying on it on in bed. XXXXX reached under XXXXXXXX and pulled the tablet from him. A tug of war ensued between them which resulted in XXXXXXXX being pulled off the bed to the floor. XXXXXXXX became upset and attempted to body slam XXXXX but he could not lift him, so he went back to his room and closed the door.
