Allegation

On January 31, 2018, the Office of the Inspector General received a reported allegation of neglect regarding Achievement Unlimited, Inc. It is alleged that the agency did not supervise ██████████. ██████████ was taken to Presence United Samaritans Medical Center in Danville, Illinois because he had part of a latex glove in his feces during the morning of January 31, 2018. ██████████ also ingested soap during the night on January 31, 2018.

Synopsis

On January 31, 2018, ██████████ was observed chewing on the bottles of hygiene products. ██████████ was also found to have a latex glove in his feces. The agency staff was aware ██████████ has PICA and attempts to chew on any objects he can obtain. No one witnessed ██████████ obtain and ingest hygiene items or a latex glove. ██████████ was assessed and discharged from the hospital the same day without any findings. ██████████ did not have additional staff supports or 1:1 staff to prevent his PICA behavior. Non-edible items were not secured at ██████████ CILA.

Findings

Based on the facts in this case the following was concluded. The allegation of neglect is substantiated against Achievement Unlimited, Incorporated.

Recommendations

The Office of The Inspector General recommends the following:

1. The agency completed the cations recommended by DHS BQM during their focus review: obtain an Support Services Team referral, referral for 1:1 while at the CILA, and a medical work up by a physician to determine if ██████████ has nutritional deficiencies.
2. The agency ensures that shower totes containing soap, shampoo, deodorant, razors, etc., are appropriately secured and staff are trained to specifically check that they are secured to prevent ██████████

This is an official document of the Office of the Inspector General and its contents is covered by the Mental Health and Developmental Disabilities Confidentiality Act.

OIG Case Summary

██████ from having access to them.

3. The agency secure latex gloves so ████████ cannot access them and obtain secured trash cans to prevent him from obtaining items to ingest due to his PICA behavior.
