### **Allegation**

On January 27, 2016, the Office of the Inspector General (OIG) received a reported allegation of neglect and sexual abuse from CILA Corporation. It is alleged unknown CILA staff played with Individual XXXXXXXX's penis under the sheets every day he was at the CILA and flashed him every day. CILA staff would lift their shirts up and pull their shirts down exposing themselves to XXXXXXXXX in the bathroom. It was further alleged that unknown staff at the CILA neglected XXXXXXXXX by providing him inadequate care. XXXXXXXXX was taken to XXXXX Hospital on January 7, 2016. Allegedly, when XXXXXXXXX arrived at the hospital, he was severely malnourished sixty (60) to seventy (70) pounds underweight, severely dehydrated, and was diagnosed with pneumonia. It was also reported XXXXXXXXX was not clean, his groin area was raw from being left in his wheelchair soaked in urine, and his toenails were curled under his toes. He had to be transferred to XXXXX to be stabilized and then released to XXXXX for a thirty (30) day placement as they sought alternative living arrangements.

### **Synopsis**

It was alleged unknown CILA staff sexually abused XXXXXXXXX, but XXXXXXXXX refuted those allegations, and no evidence was provided to support the allegations of sexual abuse. The investigation revealed XXXXXXXXX exhibited changes in his physical and mental condition in December 2015, that was not properly addressed by staff, leading to a deterioration of his mental and physical condition, and him being hospitalized in January 2016.

### **Findings**

The allegation of sexual abuse is unsubstantiated against any staff of the agency or CILA Corporation itself. The allegation of neglect is substantiated against XXXXX and XXXXX.
