Allegation

On December 21, 2016, the Office of the Inspector General received a reported allegation of neglect from Community Link. It is alleged that XXXXX neglected XXXXX, XXXXX, XXXXX, and XXXXX by sleeping during the overnight hours on December 17th and 18th, 2016.

Synopsis

XXXXX was off duty over the weekend of December 17th and 18th, 2016, but remained at the CILA in the basement of the home as a winter storm kept her from returning home. In the middle of the night, on both December 17th and 18th, she discovered on duty XXXXX lying on a sofa in the home's living room sound asleep and photographed the same. These photographs were reviewed by XXXXX, who positively identified the staff sleeping was in fact XXXXX. XXXXX admitted these actions to the agency during a disciplinary hearing on December 21, 2016.

Findings

Based on the facts in this case, the following was concluded: The allegation of neglect is substantiated against XXXXX.

Recommendations

The Office of the Inspector General recommends the agency address XXXXX's failure to report the allegation within the required four-hour time frame. A willful failure to comply with the OIG reporting requirement is a violation of 20ILCS 1305/1-17(k)(1), a Class A misdemeanor.
