### **Allegation**

On April 13, 2017, the Office of the Inspector General received a reported allegation of sexual and mental abuse from Progressive Housing. It is alleged XXXXX and XXXXX took pictures and videos of XXXXXXXX while she was naked in the kitchen area of the home during a behavioral episode. XXXXX and XXXXX sent these photos/videos of XXXXXXXX on social media through Snapchat and text messaging to other staff members.

### **Synopsis**

XXXXX and XXXXX took pictures and videos during an incident where XXXXXXXX was having a behavioral episode including being undressed sitting on the kitchen floor. XXXXX received Snapchat videos of the incident from XXXXX showing XXXXXXXX completely undressed and XXXXX photographs from XXXXX showing XXXXXXXX naked. XXXXX admitted she did send video/photos to XXXXX, but the investigation did not reveal evidence that XXXXX sent any that contained images of XXXXXXXX naked. Both XXXXX and XXXXX were overheard in the video seen by XXXXX laughing and making comments to the effect of "Look at this mess, see what we have to deal with." XXXXXXXX was aware they were taking photos and video of her during this incident, including while she was naked, which upset her because she feared who might see them.

### **Findings**

Based on the facts in this case, the following was concluded: The allegation of sexual abuse is substantiated against XXXXX, and unsubstantiated against XXXXX. The allegations of mental abuse are substantiated against XXXXX and XXXXX.
