Allegation

On October 2, 2017, the Office of the Inspector General received a reported allegation of neglect from Southeastern Residential Alternatives, Inc. It is alleged that on October 1, 2017, at 12:00 PM, XXXXX neglected individuals XXXXXX, XXXXXX, XXXXXX and XXXXXX. It was reported XXXXX left the individuals unsupervised in the home when she left to unlock her uncle's door due to him being locked out of his house. It was uncertain how long XXXXX was gone before returning to the agency.

Synopsis

XXXXX left individual's XXXXXXXX, XXXXXXXXXX, XXXXXXXXXX, and XXXXXXXXXX home alone for an undetermined amount of time and they have no approved alone time. Each individual claimed that they could not find XXXXX in the home and that she had left in her car, which was no longer on the agency premises. XXXXX denied that she had left the premises, but insisted that her cousin walked to the agency and she (XXXXX) threw the keys to her from the home, but accounts by XXXXXXXXXX, XXXXXXXXXX, XXXXXXXXXX, and XXXXXXXXXX contradicted this and XXXXX has diminished credibility.

Findings

Based on the facts in this case, the following was concluded: The allegation of neglect is substantiated against XXXXX.
