### **Allegation**

On July 01, 2018, the Office of the Inspector General received an allegation of neglect from a complainant. It was alleged that XXXXX failed to properly supervise XXXXX who eloped from the home on July 1, 2018

### **Synopsis**

XXXXX requires 1:1 supervision during all waking hours. The 1:1 staff person is required to remain within arm's length of him at all times. The stated rationale for the program was to deal with his aggressive behavior and his attempts to leave the building. On July 01, 2018, XXXXX arrived for his shift at approximately 9:00 a.m. At approximately 11:00 a.m., the second staff person took the two other individuals at the home, out to the community. XXXXX was left in care of XXXXX. At approximately 3:00 p.m. XXXXX used the basement washroom for approximately 15 minutes, then sat in the front room for an additional 15 minutes. The police came to the door stating they had found XXXXX walking on the street and where returning him to the home. The evidence shows XXXXX was able to elope from the home for a period of at least 30 minutes without XXXXX being aware. Per his Client Behavior Plan, XXXXX requires 1:1 supervision during all waking hours. The 1:1 staff person is required to remain within arm's length of him at all times. It is noted, Clearbrook provided XXXXX Time card for June 30, 2018 and July 01, 2018, that shows he was scheduled and paid for working as a 1:1 staff.

### **Findings**

Based on the facts in this case the following was concluded. The allegation of neglect against XXXXX is substantiated.
