Allegation

On September 18, 2017, the Office of the Inspector General received a reported allegation of neglect from Murray Developmental Center (MDC). It is alleged that XXXXX neglected XXXXXXXX needs September 09 and September 10, 2017. On both overnight shifts, she was advised by XXXXX to assess XXXXXXXXXXXX's left leg as he has a noted injury. XXXXX assessed his left leg on both shifts but never documented the injury, did not fill out an injury report or place him on the doctor's call list. On Monday morning, September 11, 2017, when XXXXX was in morning report she informed the day shift XXXXX that she had assessed XXXXXXXXXXXX's left leg, indicating a lump that she circled with a sharpie pen.

Synopsis

XXXXXX admitted assessing XXXXXXXX left leg and did not document her assessments, nor did she place him on the doctor's call list. She admitted she could have done more for him other than waiting until Monday morning September 11, 2017, when she advised day shift XXXXX, but she still did not document her assessments. XXXXXXXXXXXX was assessed by XXXXX on Monday morning, September 11th, and advised the physician who ordered he receive x-rays, which resulted in XXXXXXXXXXXX having acute oblique fracture of the left distal femur.

Findings

Based on the facts in this case, the following was concluded: The allegation of neglect is substantiated against XXXXX.

Recommendations

The Office of the Inspector General recommends that Murray Developmental Center takes the appropriate action in addressing XXXXX's failure to follow Nursing Services Standard Operating Policy and Procedure
