IMPORTANT NEWS ABOUT MEDICAL BENEFITS FOR CHILDREN

Starting on July 1, 2011, state law requires All Kids Premium Levels 3 through 8 to be phased out. This change means that the All Kids Premium Level 3-8 program will end on June 30, 2012.

We will not enroll children in All Kids Premium Levels 3-8 beginning July 1, 2011. Children **already** enrolled in Premium Levels 3-8 on July 1, 2011 may stay in the program until July 1, 2012 **as long as they meet other requirements and pay premiums on time.**

Coverage for All Kids Premium 3-8 will end on July 1, 2012 regardless of when the case was last renewed. For example: The Smith family's All Kids case is renewed in January for coverage starting February 2012. Coverage will end July 1, 2012.

Our records show that the following person(s) are currently enrolled in All Kids Premium Levels 3-8:

Name
(variable 2)

Birth Date
(variable 3)

Be sure to **respond to all letters** from All Kids and **pay premiums on time** to avoid getting All Kids benefits canceled. Your child may not qualify for having All Kids restored if coverage ends before July 1, 2012.

Be sure to also report any income changes. If your income goes down, you may qualify for a lower-cost health plan.
