

CHILD CARE REGISTRATION FEE CERTIFICATION FORM

The IDHS Child Care Assistance Program (CCAP) will pay licensed and license-exempt child care centers a registration fee for families approved for CCAP after June 30, 2024.

If a center charges a registration fee, CCAP will pay the registration fee for families enrolled in CCAP; maximum of \$50 per child and up to \$100 for families with multiple children enrolled in the program.

A center can only be paid one registration fee per family, unless a 2nd child from the family is approved for CCAP and begins care, or the family leaves the center and then returns after 12 months or more.

Answer the following questions and submit this form to your local Child Care Resource and Referral (CCR&R) agency. Once entered into CCAP systems, centers will begin receiving registration fees with their first payment for newly approved families.

See the chart on the reverse side of this form or visit <https://www.inccrra.org/about/sdasearch> to find the correct CCR&R based on where the family lives.
