WORKSHEET FOR FIGURING QUALIFYING QUARTERS

Use this worksheet to figure qualifying quarters that are lag quarters, or quarters that do not appear on the WTPY Inquiry. For current year quarters, the maximum number of quarters possible depends on the date of the determination. See WAG 25-03-13 for instructions on figuring qualifying quarters.

Do not enter more than 4 QQ's per year

2007 Total Wages: _____	÷ 1000 = _____	# of QQ: _____
2006 Total Wages: _____	÷ 970 = _____	# of QQ: _____
