NOTE: The Standard of Need, the income maximum and the Payment Level are increased if the assistance unit is eligible for the following special authorizations (see PM 10-01-00 and WAG 10-01-00):

- therapeutic diet
- day care for education and training for a RPY case when the caretaker is not a responsible relative
- day care for children of elementary and secondary school parents to enable the parent(s) to attend school
- junior/senior high school allowance
- items allowed under the Special Assistance Program (effective 11/15/85),
- supportive service payments from Project Chance (effective 02/04/87 - 07/11/88).

See PM 10-01-00 and WAG 10-01-00 for a description of grandfathered level.

11	1,510	2,793	576	2,828
12	1,612	2,982	614	3,047

The Payment Level is increased if the assistance unit is eligible for the following special authorizations:

- therapeutic diet
- junior/senior high school allowance

The Standard of Need and the Income Maximum for Control group cases in Lake and Champaign counties are also increased if the AFDC unit is eligible for these special authorizations.

* The Poverty Level amount became effective for the 10/96 Payment Month.
